STUDY INFORMATION

Fees, including Student Body Fees and Commonwealth Supported Places

The University invoices students for fees each study period. Payment of fees must be made by the due date specified on the invoice (details regarding methods of payment are included with the invoice).

Commonwealth supported place

A Commonwealth supported place is a higher education place where the Commonwealth government makes a contribution towards the cost of your education. All Southern Cross University's undergraduate courses include Commonwealth supported places. Most postgraduate courses are non-Commonwealth supported (fee-paying) and students undertaking postgraduate studies pay tuition fees directly to the university. Your letter of offer will confirm whether you have been offered a Commonwealth supported place or a fee-paying place.

Commonwealth supported students (previously HECS students)

On 1st January 2005, all domestic students will be provided with a Student Learning Entitlement (SLE) by the Commonwealth government. Domestic students include Australian citizens, Australian permanent residents and New Zealand citizens. The SLE is equivalent to 7 years of full-time study. A student with SLE is entitled to Commonwealth support. This means that the Commonwealth government will subsidise the cost of these students education.

Every unit of study undertaken under Commonwealth support has an associated cost. For Commonwealth supported students part of that cost is met by the Commonwealth government and the remainder is paid by the student. This payment was previously called HECS, but it is now called the student contribution amount.

Fee Paying Students

A non-Commonwealth supported student is also known as a fee-paying student and includes any domestic student who is paying a tuition fee for a unit of study. Fee paying students are required to pay full tuition fees for each unit of study directly to Southern Cross University.

New Zealand citizens and permanent residents of Australia must pay the full tuition fee for each unit of study in which they are enrolled by the due date on the relevant invoice.

Australian citizens and holders of permanent humanitarian visas are eligible to pay their tuition fees with a loan from the Commonwealth government called FEE-HELP. The loan is repaid through the taxation system once a minimum income threshold for compulsory repayment is reached.

Whilst FEE-HELP loans are interest free, they are indexed to CPI. A 20% loan fee applies to FEE-HELP loans for undergraduate studies. No additional loan fee is applied to loans for postgraduate studies.

For more information visit the Commonwealth government web-site www.goingtouni.gov.au

Student Body Fees

(At the time of publication the Commonwealth Government was considering the Voluntary Student Unionism (VSU) legislation)

All students are liable for student body fees, regardless of whether you are enrolling in a Commonwealth supported or tuition fee course. For further information concerning fee levels, please refer to the Rules relating to Student Fees and Charges in the Rules section.

Refund of Fees

It is important you read and understand the University Refund Policy as set out in the Rules Relating to Student Fees and Charges in the Rules section of the Student Handbook.
Deferment of Course Commencement

Deferment of course commencement may be available for a period of 6 or 12 months to applicants undertaking undergraduate courses. An applicant who is offered a place in an undergraduate award course shall be granted a deferment of offer for 6 or 12 months following written application to the Director of Student Services and upon payment of the prescribed fee by the due date. For more information refer to the Rules Relating to Awards section of the Handbook (see Rules 2.1(d)).

Enrolling at SCU

It is the responsibility of all students to ensure that their current enrolment is recorded accurately by Southern Cross University. Some units offered by SCU have requisite conditions and students must check that they are eligible to enrol in the unit prior to submitting their enrolment request to Student Services. Students must obtain a requisite waiver from the Head of the School that is teaching the unit if they wish to enrol in a unit without the listed requisite.

New students will receive an enrolment form with their Southern Cross University offer package. Students should follow the instructions provided in their offer package to correctly complete their enrolment form and return it to Student Services by the due date specified on the form.

Continuing students re-enrol for the following year in October of the current year using the Re-enrolment request form on My Enrolment and by the due date 31st October.

No guarantee of enrolment can be made to students who submit their re-enrolment forms after the due date.

At the beginning of each semester students must check their enrolment details on My Enrolment: https://ssm.scu.edu.au/stuweb/ and immediately advise Student Services in writing if they believe their enrolment is inaccurate. Write to:

Enrolments – Student Services, Southern Cross University, PO Box 157, Lismore NSW 2480.

You must lodge your forms by the due date specified in your enrolment package.

What Happens After Enrolment?

After returning or submitting your enrolment form, you should wait for at least ten (10) working days before checking your enrolment details on My Enrolment.

If your enrolment is not as you expected, you should check your SCU email account. All enrolment problems will be reported to this address. You must check this email account regularly, or forward your email to an alternative email address via SCU Web Mail.

If your enrolment is correct, you should check the timetable for your enrolled unit and attend your first classes. Southern Cross University provides no written confirmation of your enrolment, but students can print the details of their current enrolment from My Enrolment http://www.scu.edu.au/myenrolment.
Your enrolment invoice will arrive shortly after you have been enrolled. Please check your invoice for accuracy. Note that you must pay your Student Body Fees directly to the University by the due date on your invoice.

Changing Your Enrolment

Students who wish to vary their original enrolment details can do so through My Enrolment. Please note that deadlines exist for the lodgement of unit enrolment variation and course/unit withdrawals. These dates are set out in the Principal Dates section of the Student Handbook and can effect both a student’s academic record and financial liability. Note that changing your mode of study (internal or external study mode) and unit substitutions are enrolment variation requests and are subject to the same deadlines and late charges - see “Withdrawal From a Course or Unit” below.

Students can change their own contact details by visiting My Enrolment at:
http://www.scu.edu.au/myenrolment

Withdrawal From a Course or Unit

Regulations relating to a course or unit withdrawal are set out in Enrolment Rules which are printed in the Rules section of the Student Handbook (see Rules 2.6 - 2.8). All students should be familiar with these rules. Students may withdraw from units on line at My Enrolment (https://ssm.scu.edu.au.stuweb/) or provide written advice of withdrawal from unit(s) or course to avoid being automatically graded FAIL for currently enrolled unit(s). Variation to Enrolment forms can be printed from the web (http://study.scu.edu.au/studentservices/dds/) and are available from the Student Centre on each Campus and when completed, can be lodged at that Student Centre. Students are not permitted to withdraw from all enrolled units without applying for either a Leave of Absence (see below) or a Course Withdrawal (see above).

Commonwealth supported students who withdraw from a unit or units, or from a course, after the census date for a study period, will be liable for the student contribution amount applicable for each unit for that study period.

Students should take note that withdrawing from a unit or course after the designated final date for withdrawal without failure will result in an automatic grade of FAIL.

Students enrolled in a fee paying course who withdraw from a unit or units, or from a course, after the start of the study period may be liable for a partial fee. Refer to the University Refund Policy set out in the Rules Relating to Student Fee and Charges.

Leave of Absence

Students who have completed at least one unit of study with Southern Cross University may take a break from their studies of up to one-year (12 months). Refer to Rules Relating to Awards Rule 2.7(a-f).

The application for leave may be submitted through My Enrolment. Or you may use our standard Leave of Absence Application Form (available on the web or at the Student Centre on your Campus), or you may simply provide the following details in a fax, email or letter:
- name and Student Identification Number;
- course name (e.g. Bachelor of Business);
- date you wish to start leave;
- the study period and year you wish to return to your studies.

Attendance requirements
Attendance at lectures and tutorials is normally a requirement for internal students. For example, some units require an eighty percent attendance in lectures and tutorials as well as a pass in assignments in order to pass the unit. Attendance at field trips and excursions may also contribute to a unit assessment. External students may need to attend an on-campus residential period as a requirement of their units. Attendance requirements are articulated in all detailed unit statements, alternatively your unit assessor can clarify.

If personal circumstances change through the study period to prevent class attendance, you should discuss the situation with your lecturer or Student Services. Illness during semester can effect not only your attendance at classes, but also your capacity to study. When too much class contact is lost through protracted illness, there may be no practical way of catching up in that semester. You should discuss your options with your School or College Office or Student Services staff.

Text books
Text book lists are included in all unit statements and can be purchased from the Co-op Bookshop which is located at both Lismore and Coffs Harbour Campuses. Copies of required texts are also held in the University Library. Books of Readings are sometimes produced by Schools to either supplement or replace text books. Copies of these are also available in the University Library. The Co-Op Bookshop contact details are:

Advanced Standing
Southern Cross University policy allows for the granting of advanced standing for previous post-secondary study (normally completed within the last ten years), relevant professional experience or demonstrable expertise. If you wish to apply for advanced standing towards your course, you should complete and return the Advanced Standing Application Form (available from Student Centres or download from www.scu.edu.au/admin/studentservices/dds/). It is important to apply for advanced standing as early as possible in your studies as the amount of advanced standing you are granted may affect which units you need enrol in. To prevent delays in processing your graduation you are strongly advised to have submitted all requests for Advanced Standing before commencing your final study period.

If you have already applied for advanced standing and have not yet been advised of the outcome, please phone the Admissions Team in Student Services on (02) 6620 3444 or email admissions@scu.edu.au.

Change of Course
Students who are currently enrolled in a course at Southern Cross University may apply for a course transfer, to study another Southern Cross University course, provided they have successfully completed a minimum of one semester of full-time study, or equivalent, in their original course enrolment. However, it should be noted that course transfer is not automatic and in some instances students may be required to apply through Universities Admissions Centre (UAC) or
Assessment

Assessment describes the various kinds of assignments, tests and examinations used at Southern Cross University. At the beginning of each study period the relevant unit assessor will provide you with a unit statement which outlines the objectives or goals of the unit, the number and type of each item of work to be submitted, the assessment method(s) proposed for each item, date each item is to be submitted and other general assessment expectations and penalties. You should note the assessment requirements carefully as your success in any unit will depend upon your ability to meet the requirements of the various assessment items.

School/College policies, including the conditions of and penalties for late submissions, granting of extensions, possibility of re-submission, violation of assessment specifications (eg: number of words), plagiarism and class participation (where it contributes to assessment) may be outlined in the unit statement or will be available at the relevant Divisional, School or College office.

Your final grade in each unit will be published on My Enrolment (located at https://ssm.scu.edu.au/stuweb/) at the end of each study period. Release dates for grades are published in “SCU News” on the University’s web site. The University’s rules concerning Student Assessment and Examinations are set out in the Rules section of this Student Handbook.

Examinations

Examinations are held at the end of each study period. Not all units require examinations so you should carefully check the assessment requirements of all the units in which you are enrolled. It is your responsibility to complete any required examinations. A preliminary examination timetable is normally available in week eight (8) of the study period. The final timetable is published in week ten (10) of each study period and is available on the web at https://ssm.scu.edu.au/stuweb (Select “Exam Timetable” under “My Exams”). It is your responsibility to check the details of all your examinations. Details will not be given out by telephone.

The University’s rules governing Student Assessment and Examinations are set out in the Rules section of this Handbook.

Special Consideration and Special Examinations

The Student Assessment and Examination rules provide for you to be granted a special examination or special consideration in appropriate circumstances. In general terms, the rules provide that where you complete an assessment task, such as an examination or assignment, and believe your performance or preparation was adversely affected by medical or other circumstances, you may apply for special consideration.

If you are unable to sit for an examination because of medical or other exceptional circumstances you may apply for a special examination. Except in exceptional circumstances, a special examination will not granted once you sit for an examination. Misreading the exam timetable is not grounds for a special examination.

You may also apply for special consideration to vary the deadline for an assessment task, other than an examination.

An application form for Special Consideration is available from the Student Centre, from your School or College and on the website at http://study.scu.edu.au/studentservices/dds/

Review of Grades and Appeals

If you wish to query a final grade in any unit you should contact the relevant Head of School within ten (10) working days of formal publication of the grade. If you are not satisfied with the Head of
School’s determination, you may lodge a formal appeal with the Secretary, Academic Board Appeals Committee. The grounds for lodging an appeal are outlined in the Student Assessment and Examination rules. You may also query the mark or grade awarded for a piece of assessment submitted during the study period. For further details see the Rules section of this Handbook.

Exclusion

The Exclusion Rules, set out in the Rules section of this Student Handbook, provide for exclusion at the discretion of the Head of School, on the basis of unsatisfactory academic progress or failure to satisfy professional experience requirements. You may appeal a decision of the Head of School within ten (10) working days of notification of exclusion by requesting the Executive Dean to review the decision. If you are not satisfied with the Executive Dean’s decision with respect to this appeal you may submit a further appeal to Academic Board within ten (10) working days. Any appeal under the Rules may only be made on the grounds that the Rules were inappropriate or unreasonably applied, or that there were exceptional circumstances, not likely to continue, which contributed to unsatisfactory progress.

Periods of exclusion shall not be displayed on any academic transcript issued by the University.

Graduation

Graduation is the ceremony in which graduands of the University receive their degree, diploma or award testamurs from the Chancellor. After graduation, you are entitled to use the title and origin of their degree after their name. Graduation ceremonies are held each year in Lismore, Coffs Harbour and Sydney. For further information contact the Graduation Officer on (02) 6620 3706.

Academic Transcripts

An academic transcript (also called Statement of Academic Record) is a copy of your academic record to date. The transcript lists the units you have studied and all grades, including fails. It is issued without alteration or erasure. You are entitled to one transcript of your academic record, without charge, upon graduation. A fee of $10.00 will be charged for all other transcripts, ($12.00 for overseas students) and will be provided on receipt of written request and appropriate payment to Student Services. A copy of your academic transcript may also be downloaded from My Enrolment (https://ssm.scu.edu.au/stuweb/).

**Timetables**

Class Timetables for each study period and each campus are normally available, in draft format, two months prior to the start of lectures. Wherever possible, the final Class timetable will be available one (1) month prior to the commencement of each study period. They can be accessed on the University website at http://study.scu.edu.au/studentservices/

You are encouraged to check the timetable regularly until the end of Week 2 of the study period as changes to arrangements do occur, particularly at the beginning of the study period.

Examination Timetables are also available on the web at https://ssm.scu.edu.au/stuweb/ (select “Exam Timetables” under “My Exams”) You should be aware that these are initially posted in preliminary format in week 8 of the study period. A period of approximately 1 week is provided for you to provide feedback and request further changes before the timetable is finalised. You are advised to check the preliminary and final timetables closely to ensure that you do not have examination clashes.

**Exchange Programs**

The University has international student exchange arrangements with an extensive number of universities in Canada, China, Finland, France, Germany, Indonesia, Japan, Korea, Netherlands, Russia, Sweden, United Kingdom and USA. These programs are coordinated and administered by the University’s International Office. A full listing of the institutions involved is shown on the website at http://exchange.scu.edu.au

OS-HELP is available to Undergraduate Commonwealth supported students wishing to study overseas who need help with general costs. You can download a fact sheet on OS-Help at www.dest.gov.au/highered/hesat/fact_sheets/5.pdf

Before embarking on an exchange, students must discuss credit provision arrangements with their Course Coordinator.

**Scholarships**

**Postgraduate Scholarships** are available for students undertaking a PhD or Masters by Thesis. The three major scholarships are: Australian Postgraduate Award with Stipend (APA); Southern Cross University Postgraduate Research Scholarships (SCUPRS); International Postgraduate Research Scholarships (IPRS). Postgraduate scholarships are administered by the Graduate Research College. For information on the terms, conditions and benefits of these scholarships refer to the following website at www.scu.edu.au/research/grc and click on the Postgraduates button, or contact the Graduate Research College on (02) 6620 3172.

**Vice-Chancellor’s and Industry Undergraduate Scholarships** are available to commencing students on a competitive merit basis. The Vice-Chancellor’s scholarships are valued at $15,000 over three years full-time study. The Industry sponsored Scholarships range from $2,000 to
$5,000 per year for up to three years full-time study

Full details regarding the eligibility and selection criteria as well as the benefits and conditions are available at www.scu.edu.au/services/scholarships. Additional information may be obtained by contacting the Marketing and Media on (02) 6626 9286, or via email to scholarships@scu.edu.au. The website shown above also lists links to scholarships offered by various agencies that may be used towards your study program at Southern Cross.

**Equity Scholarships**

Equity Scholarships include the Commonwealth Learning Scholarships Programme (CLS) established by the Australian Government, and Institution Equity Scholarships (IES) established by Southern Cross University. These scholarships are designed to assist rural, regional, low income and indigenous students who are Australian citizens or holders of permanent humanitarian visas with costs associated with higher education.

There are two types of CLS:

**Commonwealth Education Costs Scholarship** valued at $2,080 per year (indexed annually) for up to four (4) years to assist with education costs.

**Commonwealth Accommodation Scholarship** valued at $4,161 per year (indexed annually) for up to four (4) years to assist with accommodation expenses.

There are two types of IES:

**Southern Cross University Equity Scholarship** for first year students valued at $1,500 made as a one-off to eligible students commencing their first year of study in 2006.

**Equity Book Bursaries** valued at $250 allocated as a voucher redeemed through the Co-operative Bookshop.

Applicants must meet eligibility criteria to apply and applications will be assessed on a needs basis as determined by selection criteria. For further enquiries please contact the Equity Scholarships Officer on 02 6620 3943 or visit www.scu.edu.au/services/scholarships

**Prizes**

The University also offers a large number of Annual Prizes which may be awarded if you achieve outstanding results or demonstrate meritorious performance. A complete listing of the prizes, criteria and amount awarded can be downloaded from the University website at www.scu.edu.au/docs/calendar/awards/prizes.html

University Medals are awarded annually at the discretion of the Academic Board if you have completed the requirements of a Bachelor degree with first class honours and at all times have demonstrated a very high standard of academic achievement. University Medals are normally awarded if you have achieved a Grade Point Average (GPA) of Distinction (6.00) or more in graded units equivalent to 150-hours, excluding Honours year units. These units must be in the relevant undergraduate award(s) and where a minimum of sixty-six percent (66%) of the award(s) has been completed at Southern Cross University.

The following examples are to assist with interpretation:

(i) A student has completed forty (40) units towards a double degree: Another student has completed thirty-two (32) units towards a combined degree. In both cases count all units in the GPA calculation;

(ii) A student has completed a twenty-four (24) unit undergraduate degree at SCU. The student completed eight (8) units in another SCU degree and two (2) units at another university, and received advanced standing for eight (8) units (two non-SCU units and six SCU units). The two (2) units completed at the other university do not count in the calculation, however, six (6) of the SCU units do. The GPA would be calculated on twenty-two (22) SCU units;
(iii) A student has completed an articulated series of awards at SCU culminating in a degree. All units counted towards that degree are to be used in the GPA calculation, even if the units were completed while the student was enrolled in the articulated awards.
GENERAL INFORMATION

ABSTUDY (Education Access Program)

ABSTUDY provides assistance for Australian Aboriginal and Torres Strait Islander students in a range of full-time and part-time courses, including Masters and Doctorate level.

The maximum rates vary depending upon individual circumstances. Benefits for students also include the payment of an incidentals allowance to assist with text book and equipment costs. Part-time students may also be eligible for some financial assistance.

Application forms for ABSTUDY are available from any Centrelink Office. Submit your application for ABSTUDY as soon as possible. ABSTUDY claims can be lodged at the Lismore Centrelink Office, at the corner of Conway and Keen Streets.

ABSTUDY Pensioner Education Supplement (PES)

The Pensioner Education Supplement (PES) is free of any income test. It may be paid to some students who are eligible for ABSTUDY and are receiving a pension or certain allowances from Centrelink or a full service pension from the Department of Veteran Affairs (DVA). To be eligible for PES students must be studying at least 25% of a full-time workload.

In 2006 the Pensioner Education Supplement is $62.40 per fortnight for new applicants and $124.80 per fortnight for “maintained” students continuing in their studies from 1999.

Students with a study load of less than 50% will be paid $31.20 per fortnight. Please note, customers receiving Disability Support Pension, Invalidity Service Pension or Income Support Supplement may be eligible for a workload concession.

All rates are subject to CPI adjustment.

Further information about ABSTUDY can be obtained from the Lismore Centrelink Office, corner of Conway and Keen Streets, Lismore. Telephone enquiries can be made on 13 2317.

Austudy Payment and Youth Allowance for Students

Austudy Payment is an income support payment available to qualifying students aged 25 or older. It provides income tested assistance to full-time students who are Australian citizens and some permanent residents of Australia studying in an approved tertiary course.

Youth Allowance is a similar support payment paid to eligible 16 to 24 year olds who are undertaking full-time study in approved courses, and/or looking for work. These young people may be eligible for rent assistance and the rules regarding the activity test allow for more flexibility in the types of activities which are acceptable. Youth Allowance is means tested against parental and family income.

The eligibility provisions for Austudy Payment and Youth Allowance for full-time students are very similar. However there are some differences in terms of rates, parental means testing, and the activity test (academic requirements). All Austudy Payment recipients are deemed independent and are therefore not means tested against their parents’ income.

There is no away from home rate for Austudy Payment as all students over 25 years of age are deemed as independent. Rent Assistance is not available to single people who are receiving Austudy Payment. Those with children can access Rent Assistance through Family Allowance.

To be eligible for Austudy Payment or Youth Allowance, students normally need to be undertaking at least three-quarters of the normal amount of full-time study in respect of the course for the study period. Where a student is in a Commonwealth supported place in a course they are required to have a study loading of at least 0.375 per semester. Where a student reduces and
ceases to be undertaking a study load of 0.375 or more, he or she ceases to be eligible for Austudy Payment or Youth Allowance. Under very special circumstances some students are approved to study less than 75% of the full-time workload.

The maximum rates of payments vary depending on the age of the student, the level of the student’s personal and/or family income and assets, and the type of assistance applied for.

Dependent tertiary students may also be eligible for reimbursement for up to two return journeys between their parents’ and their term address if they live away from home to undertake their studies.

Students can apply for a lump sum advance loan of between $250 and $500 against their Austudy Payment or Youth Allowance entitlement.

Application forms for Austudy Payment and Youth Allowance are available from any Centrelink office. Completed applications can be forwarded by mail to the following address or can be personally lodged at any Centrelink office:

Centrelink
PO Box 571
LISMORE NSW 2480

Telephone enquiries can be made on 13 2490.

At Lismore campus free-call, self-help phones are available for students to contact Centrelink. These are located within the Student Centre in Goodman Plaza.

Austudy Pensioner Education Supplement (PES)

The Pensioner Education Supplement (PES) aims to assist pensioners with the ongoing costs associated with study and is available to full-time students and those approved to undertake at least 25% of a full study load.

PES is paid at the rate of up to $62.40 per fortnight; it is not taxable. The minimum age is usually 16, although it may be paid to a 15 year old studying in certain circumstances. Further information about the Austudy Pensioner Education Supplement can be obtained at any Centrelink office or by phone on 13 2490.

Students may be eligible for a Health Care Card which entitles them to a reduction in the cost of prescriptions, x-rays, etc. Applications for the issue of a Health Care Card can be obtained from any office of Centrelink.

Plagiarism

Plagiarism is defined as reproduction and presentation of the work of others without acknowledgment and includes copying (in whole or in part) the work or data of other persons, or presenting substantial extracts from books, articles, theses, computer software, lecture notes, assignments or tapes, without due acknowledgment. You are advised against making assessable material (assignments, etc.) available to other students, as they could then be a party to plagiarism and, as such, may be penalised as if they themselves had committed an act of plagiarism.

You are expected to be fully conversant with the various systems of referencing. Details on the preferred referencing system for the discipline you are studying will be provided by your Unit Assessor.

You should be aware that poor referencing or poor presentation of cited material is NOT plagiarism. They constitute poor academic work and will be penalised as such.

Plagiarism in Computing

The University acknowledges that there are particular difficulties in establishing plagiarism in respect of computer-based work, particularly programming. The following guidelines are intended to provide advice on how plagiarism in this area will be established:

Definition: Substantial copying of work from some existing or recognisable source without acknowledgment: the use of work, partial or whole, generated by another student, past or present or an external person, constitutes plagiarism with reference to computing and computer programming.

Detection: Plagiarism in computing may be detected by one or more of the following:

(a) similarity to other students’ submissions;
(b) sudden improvement in a student’s output within the semester without evidence of effort;
(c) sudden change in coding style;
(d) report by other student(s) or member(s) of staff;
(e) the offending party was caught in the act of copying.

Verification: Plagiarism in computing may be verified by:

(a) similarity in submitted work, e.g. similar programme structure, similar identification names and labels;
(b) lack of ability of the student to explain key aspects of the programme, especially where intricate logic is involved in the success of the coding;
(c) lack of evidence with regard to intermediate output;
(d) inconsistency in coding style within the programme;
(e) witness to the act of copying.

The Rules governing Plagiarism will apply in all cases (see rule 3.17 within Rules section of this Handbook).

Policy on Alcohol Consumption

The University has a policy on the consumption of alcohol. The aim of the policy is to ensure that alcohol consumption on University premises occurs within acceptable and legal limits. The policy restricts alcohol to certain venues under certain conditions. Details of this policy may be obtained from the Finance Directorate, or the Vice-Chancellor’s Office.

Student Organisations
Students’ Association (Coffs Harbour)

The mandate of the Coffs Harbour Students’ Association is to provide a quality university experience for all its student members – those studying on campus, externals, residential, mature age, and those students with children, or who are disabled or impoverished. How the Association accomplishes this is by providing a varied range of social, sporting, welfare and cultural events and activities, offering products and services at greatly subsidised rates, and helping students who have a problem or issue through active representation between its members and other student organisations in the University, the University administration and the regional community.

Some of the activities the Association organises are movie/pizza nights, family fun days, pub tours, mature age dinner and dance, Blue Stocking Week, the Annual Ball, free weekly morning tea, monthly live entertainment and sausage sizzles.
Most products and services the Association provides are heavily subsidised, helping to make life a little easier for students. Some of the services offered are photocopying, colour printing, photo processing, binding, laminating, and free use of a common room with Austar TV, DVD/VCR facilities, and books, papers and magazines to read. Some of the products available are tea, essential groceries, mobile and phone cards, coffee, tea, juice, bottled water, soft drinks, biscuits, lollies, milkshakes, film, CDs and computer disks, stamps, envelopes, a free morning tea twice per week and University souvenirs.

A number of regular publications have been established including the Survival Guide, student magazine “Tsunami”, a weekly newsletter and several welfare publications.

On behalf of the University, the Association continues to provide academic dress hiring for students enrolled at Coffs Harbour.

All Coffs Harbour students are automatically members of the Association. The office is located in F Block, near the bus depot and is open Monday to Friday from 8.30am to 4.30pm during teaching and exam weeks, 10.00am to 2.00pm during study weeks. It is organised and operated by students for students. Upon enrolment, students automatically become members, once they have paid their fees.

The Student Representative Council is comprised of elected representatives from the student body. It has three main roles:

- to provide a wide range of support for students including free dental service, free computer access, photocopying and laminating, laser printing, professional typing service, facsimile service, photo ID’s and a range of other welfare services; to provide an avenue for students to gain experience in administration, management and representation by becoming involved in the day-to-day running of the organisation, it’s campaigns and student collectives.

The SRC has two offices on the Lismore Campus; the Student Representative office located at Shop 9, Goodman Plaza and the SRC Student Drop In Centre located at Shop 5, Goodman Plaza, website: www.lismoresrc.org.au

Campus Central (Southern Cross University Union) is a non-profit, charitable organisation receiving funds from student-member subscriptions of students, staff and the community, as well as income generated from its commercial services trading areas. Campus Central also plays a role in safety on campus, providing a free shuttle bus service around campus, town, and University residences.

At the Lismore Campus, a fully air-conditioned complex is situated near the main car parks where the Campus Central operates a state-of-the-art Health and Fitness Centre (with lockers, showers and changing facilities), licensed bars, bistro, Function Centre and Union Office.

Campus Central also operates the Darrel Chapman Sports Centre, off Rifle Range Road at the other end of Lismore Campus, as well as the Campus Central Shop in the Goodman Plaza where academic dress can be arranged for Graduation.
