STUDENT SERVICES

Student Services provides a wide range of services to support the University community. Services include prospective student advice, admission and enrolment matters, health care services, counselling, careers advice, equity and disability support, HECS-HELP and fees advice, assistance with final examinations and course completion.

We also offer assistance in finding accommodation, finding work and we administer student loans and scholarships.

Once you are a student at Southern Cross University, Student Services communicates in writing with you via your SCU email address. We recommend that you check this regularly, go to: http://webmail.scu.edu.au/.

More specific details about the support services available are described in the following sections or can be found at the Student Services web-site: www.scu.edu.au/studentservices

Feedback and Complaints

Student Services is committed to seeking feedback and to improving our processes and policies based on this feedback. We acknowledge the right of students, staff or members of the public to complain if they are dissatisfied. We recognise the need for complaint handling processes that maintains a commitment to civility and fairness, confidentiality and privacy.

Complaints Handling Policy

It is expected that many complaints will be resolved informally (i.e. in discussion) with staff. Staff members who receive a complaint will, wherever possible, seek to resolve the complaint at that first contact.

If after ten working days, you are not satisfied that sufficient progress has been made in resolving an informal complaint; you should lodge a formal (written) complaint with the Complaints Officer. The Complaints Officer will determine the nature of the complaint and consider any relevant procedures to attempt, if possible, to resolve it immediately. The Complaints Officer will ensure that steps are taken within ten working days to resolve the complaint; consider mediation and conciliation; involve specialist staff where relevant; keep you informed of the progress of the complaint.

On receiving a formal (written) complaint, the Complaints Officer will contact the complainant, discuss the issue and, where possible, find an agreed resolution. We aim to make contact within three working days of receiving a formal (written) complaint and to have achieved a resolution to the issue within ten working days. Records of each formal complaint are kept in secure storage in a confidential central register within Student Services for the period set by the relevant Records Management policy.

There are two types of IES:

Southern Cross University Equity Scholarship for first year students valued at $1,500 made as a one off payment to eligible students commencing their first year of study in 2007.

Equity Book Bursaries valued at $250 allocated as a voucher redeemed through the Co-operative Bookshop.

**Prizes**

The University also offers a large number of *Annual Prizes* which may be awarded if you achieve outstanding results or demonstrate meritorious performance. A complete listing of the prizes, criteria and amount awarded can be downloaded from the University website at [www.scu.edu.au/governance/council/prizes/index.html](http://www.scu.edu.au/governance/council/prizes/index.html)

*University Medals* are awarded annually at the discretion of the Academic Board if you have completed the requirements of a Bachelor degree with first class honours and at all times have demonstrated a very high standard of academic achievement. University Medals are normally awarded if you have achieved a Grade Point Average (GPA) of Distinction (6.00) or more in graded units equivalent to 150-hours, excluding Honours year units. These units must be in the relevant undergraduate award(s) and where a minimum of sixty-six percent (66%) of the award(s) has been completed at Southern Cross University.

The following examples are to assist with interpretation:

(i) A student has completed forty units towards a double degree: Another student has completed thirty-two units towards a combined degree. In both cases count all units in the GPA calculation;

(ii) A student has completed a twenty-four unit undergraduate degree at SCU. The student completed eight units in another SCU degree and two units at another university, and received advanced standing for eight units (two non-SCU units and six SCU units). The two units completed at the other university do not count in the calculation, however, six of the SCU units do. The GPA would be calculated on twenty-two SCU units;

(iii) A student has completed an articulated series of awards at SCU culminating in a degree. All units counted towards that degree are to be used in the GPA calculation, even if the units were completed while the student was enrolled in the articulated awards.

STUDY INFORMATION

Tuition Fees and Commonwealth Supported places
The University will provide your fees invoice electronically each study period. Once you have enrolled an invoice is available for viewing via MyEnrolment. Payment of fees must be made by the due date specified on the invoice (details regarding methods of payment are included with the invoice).

Commonwealth supported place
A Commonwealth supported place is a higher education place where the Commonwealth government makes a contribution towards the cost of your education. All Southern Cross University's undergraduate courses include Commonwealth supported places. Most postgraduate courses are non-Commonwealth supported (fee-paying) and students undertaking postgraduate studies pay tuition fees directly to the university. Your letter of offer will confirm whether you have been offered a Commonwealth supported place or a fee-paying place.

Commonwealth supported students (previously called HECS students)
All domestic students are provided with a Student Learning Entitlement (SLE) by the Commonwealth government. Domestic students include Australian citizens, Australian permanent residents and New Zealand citizens. The SLE is equivalent to 7 years of full-time study. A student with SLE is entitled to Commonwealth support. This means that the Commonwealth government will subsidise the cost of these students education.

Every unit of study undertaken under Commonwealth support has an associated cost. For Commonwealth supported students part of that cost is met by the Commonwealth government and the remainder is paid by the student. This payment was previously called HECS, but it is now called the student contribution amount.

Fee Paying Students
A non-Commonwealth supported student is also known as a fee-paying student and includes any domestic student who is paying a tuition fee for a unit of study. Fee paying students are required to pay full tuition fees for each unit of study directly to Southern Cross University.

New Zealand citizens and permanent residents of Australia must pay the full tuition fee for each unit of study in which they are enrolled by the due date on the relevant invoice.

Australian citizens and holders of permanent humanitarian visas are eligible to pay their tuition fees with a loan from the Commonwealth government called FEE-HELP. The loan is repaid through the taxation system once a minimum income threshold for compulsory repayment is reached.

Whilst FEE-HELP loans are interest free, they are indexed to CPI. A 20% loan fee applies to FEE-HELP loans for undergraduate studies. No additional loan fee is applied to loans for postgraduate studies.

For more information visit the Commonwealth government web-site www.goingtouni.gov.au

Refund of Fees
It is important you read and understand the University Refund Policy as set out in the Rules Relating to Student Fees and Charges in the Rules section of the Student Handbook.

Deferment of Course Commencement
Deferment of course commencement may be available for a period of 6 or 12 months to applicants undertaking undergraduate courses. An applicant who is offered a place in an undergraduate award course shall be granted a deferment of offer for 6 or 12 months following written application to the Director of Student Services and upon payment of the prescribed fee by the due date. For more information refer to the Rules Relating to Awards section of the Handbook (see Rules 2.1(d))

Enrolling at SCU
As a student of SCU, it is your responsibility to ensure that your current enrolment is recorded accurately by Southern Cross University. Some units offered by SCU have requisite conditions and you are strongly advised to check that you are eligible to enrol in the unit prior to undertaking your online enrolment. You must obtain a requisite waiver from the Head of the School that is teaching the unit if you wish to enrol in a unit without the listed requisite. This is to be submitted by selecting the “Unit Approval Request” option on My Enrolment.

If you are a new student you will receive an offer package. You should follow the instructions provided in your offer package to correctly accept your offer and then complete your enrolment by the specified due date.

If you are a continuing student you are required to re-enrol for the following year in October of the current year. Information about re-enrolment will be published each year via your SCU email account.
No guarantee of enrolment can be made if you do not complete your enrolment by the due date.
At the beginning of each study period you are encouraged to check your enrolment details on My Enrolment to ensure that you have correctly enrolled. If your enrolment is not as you expected and you are unable to amend your enrolment online, you must immediately advise the University by contacting your School, or Student Services at email: enrol@scu.edu.au

Checklist for Enrolment

Commencing Students
Have you:

☐ Accepted your offer?
☐ Submitted your Request for Commonwealth support and HECS-HELP (Commonwealth supported students only)
☐ Submitted Your Request for a Student ID Card? (only for students who are unable to visit the ID card unit at Lismore, Coffs Harbour or Tweed Gold Coast campus).

Continuing Students
Have you:

☐ Checked that you have fulfilled the required requisites or obtained authorisation for a requisite waiver?
☐ Completed your re-enrolment via My Enrolment by the advised closing date?

What Happens After Enrolment?
After completing your enrolment you should continue to check your enrolment details on My Enrolment and access your webmail account. All enrolment problems will be reported to this address.
If your enrolment is complete, you should check your class timetable and attend your first classes. Southern Cross University provides no written confirmation of your enrolment, however you can print the details of your current enrolment from My Enrolment.
Your enrolment invoice will be available via My Enrolment shortly after you have been enrolled. Please check your invoice for accuracy and ensure that you pay any outstanding amounts by the due date.

Changing Your Enrolment
You may vary your original enrolment details via My Enrolment. Please note that deadlines exist for the lodgement of enrolment variation and course/unit withdrawals. These dates are set out in the Principal Dates section of the Student Handbook and can effect both your academic record and financial liability. Note that changing your mode of study (internal or external study mode) and unit substitutions are enrolment variation requests and are subject to the same deadlines - see “Withdrawing From a Course or Unit” below.
You may also amend your contact details by visiting My Enrolment.

Withdrawing From a Course or Unit
Regulations relating to a course or unit withdrawal are set out in the Enrolment Rules which are printed in the Rules section of the Student Handbook (see Rules 2.6 – 2.8). You should be familiar with these rules. You may withdraw from your unit/s or course via My Enrolment to avoid being automatically graded FAIL for currently enrolled unit(s). You are not permitted to withdraw from all enrolled units without applying for either a Leave of Absence (see below) or a Course Withdrawal (see above).
If you are a Commonwealth supported student and you withdraw from your unit/s or course after the census date for a study period, you will be liable for the student contribution amount applicable for each unit for that study period.
You should note that withdrawing from a unit or course after the designated final date for withdrawal without failure will result in an automatic grade of FAIL.
If you are enrolled in a fee paying course and you withdraw from your unit/s or course after the start of the study period you may be liable for a partial fee. Refer to the University Refund Policy set out in the Rules Relating to Student Fee and Charges.

Leave of Absence
If you have completed at least one unit of study with Southern Cross University you may take a break from your studies of up to one-year (12 months). Refer to Rules Relating to Awards (see Rule 2.7(a-f)).
The application for leave may be submitted through My Enrolment.

For Further Information about Enrolment Issues:
• consult the relevant course and unit entries in the Student Handbook;
• consult the relevant Enrolment Rules in the Rules section of this Student Handbook;
• refer to your course summary sheets available on the web;
• consult the appropriate Course Coordinator in your School;
• consult an Enrolment Services Officer within Student Services at tel: (02) 6620 3431 or email: enrol@scu.edu.au

Attendance requirements
Attendance at lectures and tutorials is normally a requirement for internal students. For example, some units require an eighty percent attendance in lectures and tutorials as well as a pass in assignments in order to pass the unit. Attendance at field trips and excursions may also contribute to a unit assessment. External students may need to attend an on-campus residential period as a requirement of their units. Attendance requirements are articulated in the unit statements issued at the commencement of each unit.

If personal circumstances change through the study period to prevent class attendance, you are strongly encouraged to discuss the situation with your lecturer or Student Services. Illness during the study period can affect not only your attendance at classes, but also your capacity to study. When too much class contact is lost through protracted illness, there may be no practical way of catching up in that study period. You should discuss your options with staff within your School or College Student Liaison team or within Student Services.

Text books
Text book lists are included in all unit statements and can be purchased from the Co-op Bookshop which is located at both Lismore and Coffs Harbour Campuses. Copies of required texts are also held in the University Library. Books of Readings are sometimes produced by Schools to either supplement or replace text books. Copies of these are also available in the University Library. The Co-Op Bookshop contact details are:

Advanced Standing
Southern Cross University policy allows for the granting of advanced standing for previous post-secondary study (normally completed within the last ten years), relevant professional experience or demonstrable expertise. If you wish to apply for advanced standing towards your course, you should complete and return the Advanced Standing Application Form (available from Student Centres or download from http://study.scu.edu.au/studentservices/dds/).

It is important to apply for advanced standing as early as possible in your studies as the amount of advanced standing you are granted may affect which units you need enrol in. To prevent delays in processing your graduation you are strongly advised to have submitted all requests for Advanced Standing before commencing your final study period.

Change of Course
Students who are currently enrolled in an undergraduate course at Southern Cross University may apply for a course transfer to study a different Southern Cross University course. To be eligible to course transfer, a student must have remained enrolled in their initial course past the census date in the previous study period. Details are available from the Admissions Team in Student Services on (02) 6620 3452 or email admissions@scu.edu.au.

Assessment
Assessment describes the various kinds of assignments, tests and examinations used at Southern Cross University. At the beginning of each study period the relevant unit assessor will provide you with a unit statement which outlines the objectives or goals of the unit, the number and type of each item of work to be submitted, the assessment method(s) proposed for each item, date each item is to be submitted and other general assessment expectations and penalties. You should note the assessment requirements carefully as your success in any unit will depend upon your ability to meet the requirements of the various assessment items.

School/College policies, including the conditions of and penalties for late submissions, granting of extensions, possibility of re-submission, violation of assessment specifications (eg: number of words), plagiarism and class participation (where it contributes to assessment) may be outlined in the unit statement or will be available at the relevant Faculty, School or College office.

Your final grade in each unit will be published on My Enrolment at the end of each study period. Release dates for grades are published in “SCU News” on the University’s web site. You will be advised of grade publication dates via your SCU webmail account. The University’s rules concerning Student Assessment and Examinations are set out in the Rules section of this Student Handbook.
Examinations
Examinations are held at the end of each study period. Not all units require examinations so you should carefully check the assessment requirements of all the units in which you are enrolled. It is your responsibility to complete any required examinations. A preliminary examination timetable is normally available in week eight of the study period. The final timetable is published in week ten of each study period and is available on the web at www.scu.edu.au/myenrolment (Select “Exam Timetable” under “My Exams”). It is your responsibility to check the details of all your examinations. Details will not be given out by telephone.

The University’s rules governing Student Assessment and Examinations are set out in the Rules section of this Handbook.

Special Consideration and Special Examinations
The Student Assessment and Examination rules provide for you to be granted a special examination or special consideration in appropriate circumstances. In general terms, the rules provide that where you complete an assessment task, such as an examination or assignment, and believe your performance or preparation was adversely affected by medical or other circumstances, you may apply for special consideration.

If you are unable to sit for an examination because of medical or other exceptional circumstances you may apply for a special examination. Except in exceptional circumstances, a special examination will not be granted once you sit for an examination. Misreading the exam timetable is not grounds for a special examination.

You may also apply for special consideration to vary the deadline for an assessment task, other than an examination.

An application form for Special Consideration is available from the Student Centre, from your School or College and on the website at http://study.scu.edu.au/studentservices/dds/

Supplementary Assessment
* Guidelines Currently under revision

If you enrolled in a designated first year unit you are eligible for a resubmit or a resit of one failed assessment item other than your final assessment item for that unit. If you are enrolled in a designated first year unit and fail your final assessment item for that unit you may be offered a resubmit or resit (exam) where the final grade for the unit is close to a pass grade.

The University’s rules concerning Student Assessment and Examinations are set out in the Rules section of this Student Handbook.

Review of Grades and Appeals
If you wish to query a final grade in any unit you should contact the relevant Head of School within fifteen working days of formal publication of the grade. If you are not satisfied with the Head of School’s determination, you may lodge a formal appeal with the Secretary, Academic Board Appeals Committee. The grounds for lodging an appeal are outlined in the Student Assessment and Examination rules. You may also query the mark or grade awarded for a piece of assessment submitted during the study period. For further details see the Rules section of this Handbook.

Exclusion
The Exclusion Rules, set out in the Rules section of this Student Handbook, provide for exclusion at the discretion of the Head of School, on the basis of unsatisfactory academic progress or failure to satisfy professional experience requirements. You may appeal a decision of the Head of School within ten working days of notification of exclusion by requesting the Executive Dean to review the decision. If you are not satisfied with the Executive Dean’s decision with respect to this appeal you may submit a further appeal to Academic Board within ten working days. Any appeal under the Rules may only be made on the grounds that the Rules were inappropriate or unreasonably applied, or that there were exceptional circumstances, not likely to continue, which contributed to poor academic performance.

Periods of exclusion shall not be displayed on any academic transcript issued by the University.

Graduation
Graduation is the ceremony in which you, as a graduand of the University, receive your degree, diploma or award from the Chancellor and become a graduate. After graduation, you are entitled to use the title and origin of your degree after your name. Graduation ceremonies are held each year in Lismore, Coffs Harbour and Sydney. For further information contact the Graduation Officer on (02) 6620 3339.

Academic Transcripts
An academic transcript (also called Statement of Academic Record) is a copy of your academic record to date. The transcript lists the units you have studied and all grades,
including fails. It is issued without alteration or erasure. You are entitled to one transcript of your academic record, without charge, upon graduation. A fee of $15.00 will be charged for all other transcripts, ($17.00 for overseas students) and will be provided on receipt of written request and appropriate payment to Student Services. A credit card payment option is also available. Please contact Student Services - Exams and Records on 02 6620 3449 or email: exams@scu.edu.au to enquire about this option. A web-based copy of your academic transcript may also be downloaded from My Enrolment (www.scu.edu.au/myenrolment).

Timetables
Wherever possible, class timetables for each study period and each campus are available, in draft format, two months prior to the start of lectures. The final class timetable will normally be available one month prior to the commencement of each study period. They can be accessed on the University website at http://www.scu.edu.au/student services
You are encouraged to check the timetable regularly until the end of Week 2 of the study period as changes to arrangements do occur, particularly at the beginning of the study period.
Clashes or omissions should be reported to your School Timetable contact.
Examination Timetables are also available on the web at www.scu.edu.au/myenrolment (select “Exam Timetables” under “My Exams”) These are initially posted in preliminary format in week 8 of the study period. A period of approximately 1 week is provided for you to provide feedback and request further changes before the timetable is finalised. You are advised to check the preliminary and final timetables closely to ensure that you do not have examination clashes.

Exchange Programs
The University has reciprocal exchange programs with more than 30 overseas universities and higher education institutions in a range of countries including Austria, Canada, England, China, Norway, Sweden, France, Spain, Germany, Hong Kong, Japan, Korea, Netherlands, and the United States of America. Courses are taught in English and students don't need foreign language skills to participate in most cases. Students are encouraged to consider undertaking a period of study overseas through the University's Exchange program.
Students are able to apply for competitively awarded grants to fund the cost of air fares, accommodation and other costs of undertaking a period of exchange study. Students may also apply for a loan of $5000 under the OS-HELP scheme to fund these costs, the repayment of
which can be deferred in a manner similar to the repayment of the HECS liability.

Before embarking on an exchange, students need to ensure that the credit for their proposed exchange study program has been approved by their Course Coordinator. Students remain enrolled students of the University while on exchange and incur the usual tuition fee liabilities, but no tuition fees are required to be paid to the overseas university.

More information can be obtained from the University's Exchange website http://exchange.scu.edu.au or by contacting the International Office for more information on (02) 6620 3876.
GENERAL INFORMATION

ABSTUDY (Education Access Program)

ABSTUDY provides assistance for Australian Aboriginal and Torres Strait Islander students in a range of full-time and part-time courses, including Masters and Doctorate level.

The maximum rates vary depending upon individual circumstances. Benefits for students also include the payment of an incidentals allowance to assist with text book and equipment costs. Part-time students may also be eligible for some financial assistance.

Application forms for ABSTUDY are available from any Centrelink Office. Submit your application for ABSTUDY as soon as possible. ABSTUDY claims can be lodged at the Lismore Centrelink Office, at the corner of Conway and Keen Streets.

ABSTUDY Pensioner Education Supplement (PES)

The Pensioner Education Supplement (PES) is free of any income test. It may be paid to some students who are eligible for ABSTUDY and are receiving a pension or certain allowances from Centrelink or a full service pension from the Department of Veteran Affairs (DVA). To be eligible for PES students must be studying at least 25% of a full-time workload.

In 2006 the Pensioner Education Supplement was $62.40 per fortnight for new applicants and $124.80 per fortnight for “maintained” students continuing in their studies from 1999.

Students with a study load of less than 50% were paid $31.20 per fortnight. Please note, customers receiving the Disability Support Pension, Invalidity Service Pension or Income Support Supplement may be eligible for a workload concession.

All rates are subject to CPI adjustment.

Further information about ABSTUDY can be obtained from the Lismore Centrelink Office, corner of Conway and Keen Streets, Lismore. Telephone enquiries can be made on 13 23 17.

Austudy Payment and Youth Allowance for Students

Austudy Payment is an income support payment available to qualifying students aged 25 or older. It provides income tested assistance to full-time students who are Australian citizens and some permanent residents of Australia studying in an approved tertiary course.

Youth Allowance is a similar support payment paid to eligible 16 to 24 year olds who are undertaking full-time study in approved courses, and/or are looking for work. These young people may be eligible for rent assistance and the rules regarding the activity test allow for more flexibility in the types of activities which are acceptable. Youth Allowance is means tested against parental and family income.

The eligibility provisions for Austudy Payment and Youth Allowance for full-time students are very similar. However there are some differences in terms of rates, parental means testing, and the activity test (academic requirements). All Austudy Payment recipients are deemed independent and are therefore not means tested against their parents’ income.

There is no away from home rate for Austudy Payment as all students over 25 years of age are deemed to be independent. Rent Assistance is not available to single people who are receiving Austudy Payment. Those with children can access Rent Assistance through Family Allowance.

To be eligible for Austudy Payment or Youth Allowance, students normally need to be undertaking at least three-quarters of the normal amount of full-time study in respect of the course for the study period. Where a student is in a Commonwealth supported place in a course they are required to have a study loading of at least 0.375 per semester. Where a student reduces and ceases to be undertaking a study load of 0.375 or more, he or she ceases to be eligible for Austudy Payment or Youth Allowance. Under very special circumstances some students are approved to study less than 75% of the full-time workload.

The maximum rates of payments vary depending on the age of the student, the level of the student’s personal and/or family income and assets, and the type of assistance applied for.

Dependent tertiary students may also be eligible for reimbursement for up to two return journeys between their parents’ and their term address if they live away from home to undertake their studies.

Students can apply for a lump sum advance loan of between $250 and $500 against their Austudy Payment or Youth Allowance entitlement.

Application forms for Austudy Payment and Youth Allowance are available from any Centrelink office. Completed applications can be forwarded by mail to the following address...
or can be personally lodged at any Centrelink office:

  PO Box 571
  LISMORE NSW 2480

**Plagiarism**

Plagiarism is defined as reproduction and presentation of the work of others without acknowledgment and includes copying (in whole or in part) the work or data of other persons, or presenting substantial extracts from books, articles, theses, computer software, lecture notes, assignments or tapes, without due acknowledgment. You are advised against making assessable material (assignments, etc.) available to other students, as they could then be a party to plagiarism and, as such, may be penalised as if they themselves had committed an act of plagiarism.

You are expected to be fully conversant with the various systems of referencing. Details on the preferred referencing system for the discipline you are studying will be provided by your Unit Assessor.

You should be aware that poor referencing or poor presentation of cited material is NOT plagiarism. They constitute poor academic work and will be penalised as such.

**Plagiarism in Computing**

The University acknowledges that there are particular difficulties in establishing plagiarism in respect of computer-based work, particularly programming. The following guidelines are intended to provide advice on how plagiarism in this area will be established:

**Definition:** Substantial copying of work from some existing or recognisable source without acknowledgment: the use of work, partial or whole, generated by another student, past or present or an external person, constitutes plagiarism with reference to computing and computer programming.

**Detection:** Plagiarism in computing may be detected by one or more of the following:

(a) similarity to other students’ submissions;
(b) sudden improvement in a student’s output within the semester without evidence of effort;
(c) sudden change in coding style;
(d) report by other student(s) or member(s) of staff;
(e) the offending party was caught in the act of copying.

**Verification:** Plagiarism in computing may be verified by:

(a) similarity in submitted work, e.g. similar programme structure, similar identification names and labels;
(b) lack of ability of the student to explain key aspects of the programme, especially where intricate logic is involved in the success of the coding;
(c) lack of evidence with regard to intermediate output;
(d) inconsistency in coding style within the programme;
(e) witness to the act of copying.

The Rules governing Plagiarism will apply in all cases (see rule 3.17 within Rules section of this Handbook).

**Policy on Alcohol Consumption**

The University has a policy on the consumption of alcohol. The aim of the policy is to ensure that alcohol consumption on University premises occurs within acceptable and legal limits. The policy restricts alcohol to certain venues under certain conditions. Details of this policy may be obtained from the Finance Directorate, or the Vice-Chancellor’s Office.

**Privacy**

The University must meet the privacy standards introduced under the *NSW Privacy and Personal Information Protection Act 1998* (the Privacy Act). These standards direct the way public sector agencies deal with personal information.

Personal information is any information that relates to an identifiable person. As well as information that can readily identify an individual, it also includes genetic material, electronic records, video recordings and photographs.

There are twelve general principles that deal with the collection, storage, access, use and disclosure of personal information. These principles are designed to reduce the risk of misuse of personal information. They also allow individuals a reasonable degree of control about what happens to their personal information.

These principles are outlined in the brochure *Privacy and Personal Information Protection NEED TO KNOW*, produced by the University and available from the Student Centres on all campuses or via the University’s web site at [www.scu.edu.au/policy/privacy](http://www.scu.edu.au/policy/privacy)
The University, through its Privacy Contact Officer, can assist you with various privacy issues covered by the Act, including access to personal information, privacy complaints and reviews and advice on where to get more information.
