Leave of absence for a period in excess of one (1) year, requires approval by the relevant Head of School.

A Head of School may at any other time exercise discretion in seeking a list of students whose academic performance provides grounds for exclusion.

(c) A Head of School shall review the academic performance of those students who meet any of the grounds for exclusion, and shall within five (5) working days make a determination that:

A late appeal may be received at the discretion of the Chair of the Academic Board.

(g) An appeal to the Academic Board may only be made on the grounds that Rule 2.10(c) was inappropriately or unreasonably applied, or that there were exceptional circumstances not likely to continue which contributed to poor academic performance. A decision of the Academic Board Appeals Committee shall be final.

(h) An application for readmission following exclusion must be made on the prescribed form to the Director of Student Administration. An application may be made prior to expiration of a period of exclusion, but readmission will not be permitted until expiration of the period of exclusion. An applicant must normally obtain the rank required for selection to the preferred course in the most recent admission period in order to be eligible for consideration for an internal course transfer. In exceptional circumstances, any additional relevant supporting documentation may be taken into account.

Unless the relevant Head of School approves otherwise, no such amendments, other than an extension of the due date of an assessment task, shall be made or notified after the conclusion of the sixth teaching week of a semester or trimester.

3.3 Assessment Provision for Students with Disabilities
(a) This Rule refers to the conditions under which variations to assessment tasks or
requirements may be made to accommodate the needs of students with disabilities. Such variations may include, for example, the method of completing assignments or recording answers, a lengthening of the time taken over a test or examination, the venue for tests or an examination, the provision of sound amplification or of large print for test or examination papers, and the provision of particular furniture requirements. The onus is on a student with a disability who wishes to seek variations to assessment tasks or requirements to bring this matter to the attention of the Disabilities Liaison Officer in accordance with the University's "Policy on Academic Adjustments for Students with Disabilities".

(b) Procedures for students registered under the "Policy on Academic Adjustments for Students with Disabilities" as having a disability shall be those specified in that Policy. Once a determination is made under the Policy concerning variations to assessment tasks or requirements for a student with a disability, these variations shall be available throughout the period of enrolment unless changed in accordance with the Policy.

(c) All students with disabilities who are not registered under the Policy and who seek accommodation for a disability must contact the Disabilities Liaison Officer. An application for a special examination or special consideration in a unit does not relieve the student of this onus.

3.4 Grounds for Special Consideration

(a) Requests for special consideration in relation to assessment tasks shall only be considered on the following grounds: health, compassionate circumstances, serious unforeseen personal events, selection in State, national or international sporting or cultural events.

(b) For consideration on health grounds, the following information in relation to a student's condition shall be required from a registered health practitioner: (i) the date or dates on which the student was examined; and (ii) a specific statement of the practitioner's opinion of the effect of the complaint or treatment on the student's ability to complete the assessment task. Requests that do not contain this information will not be considered. The unit assessor, or Head of School, as appropriate under Rule 3.5, may, with written permission by the student, seek further clarification from the relevant registered health practitioner concerning the extent to which a complaint or treatment may affect the student's ability to complete the assessment task. A registered health practitioner means a health practitioner registered as a provider under Medicare or a private health fund, together with such other health practitioners as the University may determine from time to time.

(c) For consideration on grounds of compassionate circumstances or serious unforeseen personal events, a student shall provide factual details of the circumstances or events, together with such corroborative evidence as may support the student's application. In this context "serious unforeseen personal events" refer normally to events which are outside the student's control to prevent or overcome.

(d) For consideration on grounds of selection in State, national or international sporting or cultural events, a student shall provide a statement signed by an authorised officer of the appropriate organisation which validates a conflict with the University's timetable.

(e) Misreading the due date for any assessment task, including misreading
the examination timetable, is not a ground for special consideration.

3.5 Types of Special Consideration

(a) Variation of the due date for an assessment task, other than an examination

(i) Requests for this type of special consideration shall comply with the conditions and requirements as set out in Rule 3.4 and shall be submitted on the University's prescribed form of application.

(ii) Requests shall be submitted to the unit assessor as soon as possible before the due date of the submission of the assessment task.

(iii) Requests to bring forward the due date for an assessment task, other than an examination, shall be submitted to the unit assessor in sufficient time for alternative arrangements to be made.

(iv) Requests for variation of the due date for an assessment task, other than an examination, on the grounds of selection in State, national or international sporting, educational or cultural events shall be submitted to the unit assessor at least one (1) month in advance of the starting date of the activity.

(v) With respect to Rules 3.5(a)(ii), (iii) and (iv), the relevant Head of School may approve a later date for submission of a request if exceptional circumstances can be demonstrated by a student.

(vi) The unit assessor, on the evidence available and after consultation with other academic staff responsible for student assessment in the task in question, shall determine whether or not to grant a variation and advise the student accordingly within five (5) working days of receipt of the student's completed application form. If a variation is not granted, the student shall be informed in writing of the reasons. If a variation is granted, the student shall be informed in writing of the new due date for the assessment task.

(vii) With respect to Rule 3.5(a)(vi), the relevant Head of School may approve a later date for response to the student if exceptional circumstances for delay can be demonstrated by the unit assessor.

(viii) Where extensions have been granted beyond the due date of the finalisation of grades for the semester or trimester, the student shall receive an interim notation of Incomplete.

(b) Special consideration in the end-of-unit examination

(i) Requests for this type of special consideration shall comply with the conditions and requirements as set out in Rule 3.4 and shall be submitted on the University's prescribed form of application.

(ii) Requests shall be submitted to the relevant Head of School.

It is immaterial that the subject matter of the material is not one to which the examination relates. It shall be sufficient answer to any alleged breach of this Rule if the student establishes that anything brought into an examination room was brought in with the permission of the supervisor, or, forthwith upon entering the room, deposited with a supervisor or at a place designated for the deposit of such things.

(u) After surrender of any book, paper or other material in accordance with Rule 3.7(t), the student may be permitted to continue the examination.

(v) A supervisor who suspects a student of a breach of Rule 3.7(r) and/or Rule 3.7(s) shall, as soon as practicable, submit a written report of the circumstances of the alleged breach, together with any book, paper or other material surrendered in accordance

Upon completion of the assessment process, an appropriate grade will be entered on the student's record.
3.9 Use of Terminating Pass and the Interim Notations of "Incomplete" and "Not Available"
(a) Terminating Pass may be used where a unit assessor judges that a student fulfils the requirements of a unit but is not capable of progressing further in units for which that unit is a prerequisite.
(b) Incomplete may be used:

3.11 Grade Point Average

The Grade Point Average (GPA) is a simple numerical index which summarises a student's academic performance in a course in a single study period or over the duration of the student's enrolment in the course. The GPA is recorded on a student's Statement of Academic Record/Transcript and Notification of Assessment. The GPA is determined by dividing the total numeric value of grades by the number of units taken. 1. Definitions
In these rules, unless the context otherwise indicates or requires:
‘Census Date’ means the date prescribed in the Higher Education Funding Act 1988 as the final date by which a student may withdraw from a unit or course without incurring a HECS liability – normally 31 March for first semester, 31 August for second semester, two weeks from the commencement of the teaching period for a course or unit not offered on a semester basis, and the first day of teaching for a study period of less than six weeks in duration.
‘Class’ includes a lecture, seminar, tutorial or other related activity.
‘Enrolment’ includes both the first enrolment of a student and all subsequent enrolments.
‘Full-time’ means a study load of at least 0.375 as at the census date for the relevant study period.
‘Part-time’ means a study load of less than 0.375 as at the census date for the relevant study period.
‘External’ means enrolment in only an external unit or units in the current study period.
‘Internal’ means enrolment in at least one internal unit in the current study period.
‘Reinstatement date’ has the same meaning as ‘Census Date’.
‘Study period’ means a semester, trimester, session or other period so designated.

2. Fees to be Paid
(a) All students shall pay the applicable fees and charges as set out in the Schedules.
(b) Fees and charges paid prior to due dates will be based on intended enrolment as stated in the enrolment instructions. The Director of Student Administration shall calculate monies owing by the student or the University and require payment or authorise a refund, as necessary.
(c) Fees payable in accordance with Parts 1, 2 and 3 of the Schedule shall be levied each study period on the basis of the student’s enrolment, or intended enrolment, for that study period.

3. Time for Payment
(a) Unless the Director of Student Administration otherwise directs, fees listed in Parts 1, 2 and 3 of the Schedule shall be paid on or before the date, determined by the Director of Student Administration, for the relevant study period.
(b) Payment of the prescribed fees is a prerequisite to the confirmation of an enrolment by the University.

4. Director of Student Administration’s Powers if Fees Unpaid
(a) If any fees (including special or administrative charges) payable by a student remain unpaid after the date determined in accordance with sub-clause 3(a), the Director of Student Administration may sanction, cancel or refuse the student’s enrolment in a course or unit at any time thereafter.
(b) A student, whose enrolment has been cancelled or refused, may be reinstated or allowed upon payment of all outstanding fees and administrative charges before the final date for reinstatement.
(c) A student, whose enrolment remains cancelled or refused after the final date for reinstatement, or whose enrolment is cancelled pursuant to Rule 6:
   (i) shall not be enrolled for any unit or course, unless and until the
Director of Student Administration in special circumstances has otherwise permitted, and that person has complied with any condition which may in the absolute discretion of the Director of Student Administration be imposed; and

(ii) shall not attend any class or be entitled to sit for any examinations or be awarded any assessment grade; and

(iii) shall, unless the Director of Student Administration otherwise directs, remain liable for any administrative charges imposed prior to the date of the notice of cancellation, but may at the discretion of the Director of Student Administration be granted a refund of any amount which may have been paid in excess thereof.

5. Refund of Fees

Subject to any relevant provisions in the schedules, where the Director of Student Administration receives from the student proper written notice of withdrawal from a course or unit or variation of enrolment, a refund of fees, in whole or in part, may be authorised at the discretion of the Director of Student Administration.

6. Special Cases to Be Determined by the Director of Student Administration

In any case in which by reason of special circumstances the fee to be paid, the time when a fee is payable, or any other matter necessary to be determined in order to enable the application of these Rules to that case, is not specifically provided for in these Rules, the Director of Student Administration shall have authority to decide any question necessary to be decided in order to determine the matter.

### Notes:

Fees quoted are in Australian Dollars, are for tuition fees only and were correct at time of publication for the 2002 academic year. The fees quoted are fixed at the amount shown for the normal duration of the course and are calculated on a pro-rata basis where enrolment varies from a normal full-time load.

In addition to the fees above, students are required to pay annually compulsory overseas student health insurance and Student Association fees.

Students who are not enrolled in a Southern Cross University course but who enrol in individual subject units will be charged $1,875 per subject unit.

* Courses are taught on a trimester basis (3 academic sessions per year). All other courses are offered on a semester basis.

- An Honours year is available at the end of most Bachelor courses for students who meet the entry criteria. The course fee for the Honours year is the annual course fee for the Bachelor course.

† The course fee for the Study Abroad program includes a non-refundable administrative fee of $1,500 per semester.

# A qualifying year may be required for some students before commencement of a Masters by Research or a Doctorate of Philosophy. The course fee for the qualifying year is the annual course fee for the Masters or Doctorate.

° Admission to external and online courses (off-shore) is at the discretion of the Head of School. Admission is not available to overseas students on a student visa studying in Australia.

### Refunds: Tuition Fees – Overseas Students

(b) Full refund of fees paid if a student is excluded before the start of the study period.

(c) If the Director of Student Administration receives from the student written notice of withdrawal from course:

(i) Commencing Students

(ii) Continuing Students

before the start of the study period the student shall be entitled to a full refund of tuition fees applicable to the study period and a full refund of fees paid in advance in respect of a following study period;

(iii) Commencing and Continuing Students

1. on or before the last day of the fifth week of study period, the student shall be entitled to a refund of 50% of the fee applicable to that study period and a full refund of fees paid in advance in respect of a following study period;

2. after the last day of the fifth teaching week of the study period, the student will not be eligible for any refund of the fee applicable to that study period but will be eligible for a full refund of fees paid in advance in respect of a following study period.

(d) If the Director of Student Administration receives from a student written notice of withdrawal from a unit or units representing less than withdrawal from course:

(i) on or before the last day of the second teaching week of the study period the student shall be entitled to a full refund of the tuition fee applicable to that/those unit/s;
