STUDENT SERVICES AND INFORMATION

This section of the Student Handbook is a comprehensive summary of student services, study information, and more general information for students. The University recognises that students require clear and concise information about the services and facilities that are available on all campuses. Wherever possible you will also be directed to sources of further information and assistance including relevant websites. For some websites you will require a log-in for MySCU (study.scu.edu.au). Refer to MySCU entry (page 21) for more details.

Students are also encouraged to refer to the University’s rules – see Rules section of the Student Handbook.

Orientation Activities
Orientation Week runs from 17–21 February 2003. Orientation features a range of information sessions, activities, and social events to mark the start of the new University year. The University and Student Organisations on all campuses conduct various activities including Course Information sessions, Library tours, learning assistance, campus tours, computer lab tours, sporting and recreational activities, entertainment and trips to local areas.

Orientation Week is your chance to meet new friends, have a great time and learn a bit about University life in general, before lectures start and the workload really sets in!

Find out more about ‘O Week’ and the services and facilities on offer at www.scu.edu.au/oweek/. An ‘O Week’ guide is sent to all commencing students.

Further information regarding Orientation Week and the start of semester activities is also available from the various Student Organisations. See Student Organisations under General Information.

SCU Connect (Computer Access)
SCU Connect provides all Southern Cross University students with access to a range of Internet and computing services both on and off campus, including:

- Internet access
- MySCU (SCU’s on-line learning environment)
- My Enrolment
- Dial-up access via our modem banks
- Your SCU email address
- Library catalogues and electronic resources
- On campus computing labs

To access the above services, you will need your username and password. An on-line service for obtaining your username and password exists at: http://www.scu.edu.au/services/scuconnect and click on the New Students tab. You will need your student ID numbers and PIN when accessing this site.

If you experience any difficulty using SCU Connect, you are encouraged to contact Southern Cross University’s IT Call Centre by phone on (02) 6620 3698 or email helpdesk@scu.edu.au

ID Card Services
It is important for all students to have a student identification card (ID card). All students should obtain an ID card by Friday 28 February 2003. This card should be carried with you at all times when on campus. The card is necessary for attendance at examinations, and is required to gain library borrowing rights. The card also entitles you to numerous student discounts and benefits.

If you are near to the Lismore, Coffs Harbour or Tweed Gold Coast campuses, you may call in at the ID Card Unit to have your photograph taken and a card produced. The ID Card Unit at the Lismore campus is located at X Block, Goodman Plaza. The Coffs Harbour ID Card Unit is located at the Students Association, under the Cafeteria, F Block. After 21 February, Coffs Harbour students requiring an ID Card may call in at Administration from Tuesday to Friday from 2 pm – 4.30 pm.

The Tweed Gold Coast ID card unit is located at the Student Centre. All other students should complete the Request for Student ID Card form (this is a tear out form in the Enrolment Guide for new students), and return with two passport size photographs. Your ID Card will then be forwarded to you by mail.

Student Centres
Student Centres are located on each campus and are the first point of contact for students seeking information on administrative, course, or other student matters. You can find advice and the necessary forms to complete your enrolment and other administrative processes such as paying fees or checking transport concessions. There are computing facilities to check your timetable and other personal details, and a range of university publications and guides. Student Centres are also
the place to obtain and lodge application forms and other general forms.

**MyEnrolment**

‘MyEnrolment’ is SCU’s on-line enrolment system. It provides a real time view of student's enrolment details as recorded on the university’s internal student management system. Students can reliably check the details of their enrolment on-line and update their contact details via a secure log-in. My Enrolment can be accessed from any computer that has access to the Internet.

All current SCU students have access to MyEnrolment. If you have not used it before, your user name is your student ID number. Your password is your date of birth. The default format of your password is 8 digits in the form ddmmyyyy. If this password does not work, you should try the alternative 6 digit format ddmmyy. STUDY INFORMATION

Charges including Student Body Fees and HECS

Most Southern Cross University students are liable for student body fees, and the Higher Education Contribution Scheme (HECS). Some students are liable for tuition fees rather than HECS. The University will invoice you for student body fees and HECS or tuition fees early in each semester. Payment of fees must be made by the due date specified on the invoice (details regarding methods of payment will be included with the invoice).

Student Body Fees
All students are liable for student body fees, regardless of whether you are enrolling in a HECS course or tuition fee course. For further information concerning fee levels, please refer to the Rules relating to Student Fees and Charges in the Rules section.

Higher Education Contribution Scheme (HECS)
HECS was introduced by the Commonwealth Government as a way of ensuring that all students contribute to the cost of their higher education. Almost all undergraduate students at Southern Cross University are liable for HECS. For more information on HECS please refer to the booklet ‘HECS Information 2003’. It is important that you read and understand the information contained in this booklet. The booklet is provided to all new students and is available at all Student Centres.

PELS is an interest-free loan facility for eligible students who are enrolled in fee-paying, postgraduate non-research courses. It is similar to the deferred payment arrangements available under the HECS. PELS enables eligible postgraduate students (Australian citizens or permanent residents who meet certain eligibility requirements) to obtain a loan from the Commonwealth Government to pay their tuition fees. It is available for both commencing and continuing students. Students repay their loan through the taxation system once their income reaches the minimum threshold for compulsory repayment.

For more information on PELS please refer to the booklet ‘PELS: Your Questions Answered 2003’. It is important that you read and understand the information contained in this booklet. The booklet is provided to all new students and is available at all Student Centres.

PELS information may be viewed on-line at www.hecs.gov.au/pels.html

Further information may also be obtained from Student Services telephone (02) 6620 3444.

Refund of Fees
It is important you read and understand the University Refund Policy as set out in the Rules Relating to Student Fees and Charges in the Rules section of the Student Handbook.

Enrolling at SCU
It is the responsibility of all students to ensure that their current enrolment is accurate and completed on time. Some units offered by SCU have requisite conditions and students must check that they are eligible to enrol in the unit prior to submitting their enrolment to Student Services. Students must obtain written requisite waivers from their Head of School if they wish to enrol in a unit without the listed requisite requirement.

New students enrol prior to the start of semester by mail unless otherwise directed. Continuing students re-enrol for the following year in October.
of the current year. Re-enrolment information is generally provided to students via mail.
At the beginning of each semester students should check their enrolment details on My Enrolment: https://ssm.scu.edu.au/stuweb/ and immediately advise Student Services in writing if they believe their enrolment is inaccurate.

**Checklist for Enrolment**

Have you completed and returned the following:

**New Students**

☐ Your Enrolment Form

☐ Your Payment Options Declaration Form  
 (*HECS courses only*)

☐ Your Request for Student ID Card Form  
 (*only for students who are unable to visit the ID card unit at Lismore, Coffs Harbour or Tweed Gold Coast campus.*)

**Continuing Students**

☐ Your Re-enrolment Form

☐ Your Major selection Form  
 (*for courses that require the selection of a major*)

You should lodge your forms by the due date specified in your enrolment package.

**Changing Your Enrolment**

Students who wish to change their original enrolment details must notify the Director of Student Services in writing. Please note that deadlines exist for the lodgement of unit enrolment variation and course/unit withdrawal. These dates are set out in the Principal Dates section of the Student Handbook and can effect both a student's academic record and financial liability - see "Withdrawing From a Course or Unit" below.

Students can change their own address details by visiting My Enrolment at: https://ssm.scu.edu.au/stuweb/

**Withdrawing From a Course or Unit**

Regulations relating to a course or unit withdrawal are set out in Enrolment Rules which are printed in the Rules section of the Student Handbook (see Rules 2.6 – 2.8). All students should be familiar with these rules. Students withdrawing from a course or unit must complete a “Withdrawal Form” or provide written advice of withdrawal to avoid being automatically graded FAIL for currently enrolled unit(s). Forms are available from the Student Centre on each Campus and when completed, must be lodged at that Student Centre.

Students should take note that withdrawing from a unit or course after the designated final date for withdrawal without failure will result in an automatic grade of Fail.

Students enrolled in a HECS liable course who withdraw from a unit or units, or from a course, after the census date for a study period, will be liable for the HECS applicable for the unit/s, or course, for that study period.

Students enrolled in a fee paying course who withdraw from a unit or units, or from a course, after the start of the study period may be liable for a partial fee. Refer to the University Refund Policy set out in the Rules Relating to Student Fee and Charges.

**Further Information about Enrolment Issues**

- consult the relevant course and unit information in the Student Handbook;
- consult the relevant Enrolment Rules in the Rules section of this Student Handbook;
- refer to your course summary sheets issued with enrolment packages;
- consult the appropriate Course Adviser in your School;
- consult an officer of the Enrolments Team in Student Services, telephone (02) 6620 3444.

**Attendance**

Attendance at lectures and tutorials is normally a requirement for internal students. For example, some units require an eighty percent attendance in lectures and tutorials as well as a pass in assignments in order to pass the unit. Attendance at field trips and excursions may also contribute to
a unit assessment. External students may need to attend an on-campus residential period as a requirement of their units. Attendance requirements are articulated in all detailed unit statements, alternatively your unit assessor can clarify.

If personal circumstances change through the study period to prevent class attendance, you should discuss the situation with your lecturer or Student Services. Illness during semester can interfere not only with attendance at classes, but also on your capacity to study. When too much class contact is lost through protracted illness, there may be no practical way of catching up in that semester. You should discuss your options with your School or College Office or Student Services staff.

**Text books**

Text book lists are included in all unit statements and can be purchased from the Co-op Bookshop which is located at both Lismore and Coffs Harbour Campuses. Copies of required texts are also held in the University Library. Books of Readings are sometimes produced by Schools to either supplement or replace text books. Copies of these are also available in the University Library. The Co-Op Bookshop contact details are:

**Advanced Standing**

Southern Cross University policy allows for the granting of advanced standing for previous post-secondary study (normally completed within the last ten years), relevant professional experience or demonstrable expertise. If you wish to apply for advanced standing towards your course, you should complete and return the Advanced Standing Application Form (available from Student Centres). It is important to apply for advanced standing as early as possible prior to the commencement of your studies. The amount of advanced standing you are granted may affect what units you can enrol in.

If you have already applied for advanced standing and have not yet been advised of the outcome, please contact the Admissions Team in Student Services on (02) 6620 3444.

**Change of Course**

Students who are currently enrolled in a course at Southern Cross University may apply for a course transfer provided they have completed a minimum of one semester of full-time study, or equivalent, in their original course enrolment. However, it should be noted that course transfer is not automatic and in some instances students may be required to apply through Universities Admissions Centre (UAC) or Queensland Tertiary Admissions Centre (QTAC). Details are available from Student Services.

**Assessment**

Assessment describes the various kinds of assignments, tests and examinations used at Southern Cross University. At the beginning of each study period the relevant unit assessor or course coordinator will provide you with the objectives or goals of the course, the number and
type of each item of work to be submitted, the assessment method(s) proposed for each item, date each item is to be submitted and other general assessment expectations and penalties. You should note the assessment requirements carefully as your success in any unit will depend upon your ability to meet the requirements of the various assessment items.

School/College policies including the conditions of and penalties for late submissions, granting of extensions, possibility of resubmission, violation of assessment specifications (eg: number of words), plagiarism and class participation (where it contributes to assessment) may be outlined in the course handout or will be available at the relevant Divisional, School or College office.

Your final grade in each unit, will be published on the Web at the end of each study period. The University’s rules concerning Student Assessment and Examinations are set out in the Rules section of this Student Handbook.

**Examinations**

Examinations are held at the end of each study period. Not all units require examinations so you should check carefully the assessment requirements of all the units in which you are enrolled. It is your responsibility to complete any required examinations. A preliminary examination timetable is normally available at least five weeks prior to the examination period. The final timetable is displayed on campus noticeboards and is mailed to external students at least two weeks before the examination period. It is your responsibility to check the details of all your examinations. Details will not be given out by telephone.

The University’s rules governing Student Assessment and Examinations are set out in the Rules section of this Handbook.

**Special Consideration and Special Examinations**

The Student Assessment and Examination rules provide for students to be granted a special examination or special consideration in appropriate circumstances. In general terms, the rules provide that where a student completes an assessment task, such as an examination or assignment, and believes his/her performance or preparation was adversely affected by medical or other circumstances, that student may apply for special consideration.

A student who is unable to sit for an examination because of medical or other exceptional circumstances may apply for a special examination. Except in exceptional circumstances, where a student sits for an examination, a special examination will not subsequently be granted. Misreading the exam timetable is not grounds for a special examination. A student may also apply for special consideration to vary the deadline for an assessment task, other than an examination. Application forms are available from the Student Centres on each campus or from your School or College.

**Review of Grades**

A student who wishes to query a final grade in any unit should contact the relevant Executive Dean within ten working days of formal notification of the grade being queried. A student not satisfied with the Executive Dean’s determination, may lodge a formal appeal with the Secretary Academic Board Appeals Committee. The grounds for lodging an appeal are outlined in the Student Assessment and Examination rules. A student may also query the mark or grade awarded for a piece of assessment submitted during the semester or trimester. For further details see the Rules section of this Handbook.
Exclusion
The Exclusion Rules, set out in the Rules section of this Student Handbook, provide for exclusion at the discretion of the Executive Dean, on the basis of unsatisfactory progress. Students may appeal a decision of the Executive Dean within ten (10) working days of notification of exclusion. A student not satisfied with the Executive Dean’s decision with respect to this appeal may submit a further appeal to Academic Board within ten (10) days. Any appeal under the Rules may only be made on the grounds that the Rules were inappropriately or unreasonably applied, or that there were exceptional circumstances not likely to continue which contributed to unsatisfactory progress.

Periods of exclusion shall not be displayed on any academic transcript issued by the University.

Graduation
Graduation is the ceremony in which graduands of the University receive their degree or diploma testamurs from the Chancellor. After graduation, graduates are entitled to use the title and origin of their degree after their name. Graduation ceremonies are held each year in Lismore and Coffs Harbour. For further information contact the Graduation Officer on (02) 6620 3706.

Academic Transcripts
An academic transcript (also called Statement of Academic Record) is a copy of your academic record to date. The transcript lists the units you have studied and all grades, including fails. It is issued without alteration or erasure. All students are entitled to one academic transcript of their academic record, without charge, upon graduation. A fee of $10.00 will be charged for all other transcripts, and will be provided on receipt of written request and appropriate payment to Student Services.

Students are encouraged to check the noticeboards regularly as changes to arrangements do occur, particularly at the beginning of the study period.

Examination Timetables are also available on the University website at study.scu.edu.au/stuadmin Students should be aware that these are initially posted in preliminary format five weeks prior to the actual exam period. A two-week period is then allowed for further changes before the timetable is finalised. Students are advised to check the preliminary and final timetables closely to ensure they do not have examination clashes. Copies of these timetables are posted on the Student Services noticeboards on each campus.

GENERAL INFORMATION

ABSTUDY (Education Access Program)

ABSTUDY provides assistance for Australian Aboriginal and Torres Strait Islander students in a range of full-time and part-time courses, including Masters and Doctorate level. The maximum rates vary depending upon individual circumstances. Benefits for students also include the payment of an incidentals allowance to assist with text book and equipment costs. Part-time students may also be eligible for some financial assistance.

A voluntary option under ABSTUDY is the ABSTUDY Student Financial Supplement scheme. This allows students to exchange part of their ABSTUDY grant for a loan on a $1 for $2 basis, from a minimum loan of $500 to a maximum loan of $7,000. No real rate of interest is applied. The supplement is paid fortnightly as are ABSTUDY grant payments.

Application forms for ABSTUDY are available from any Centrelink Office. Submit your application for ABSTUDY as soon as possible.

The ABSTUDY Unit in Lismore is located at the Centrelink Office, at the corner of Conway and Keen Streets, and can be contacted on 13 2317, for the cost of a local call.

ABSTUDY Pensioner Education Supplement (PES)

The Pensioner Education Supplement (PES) is free of any income test. It may be paid to some students who are eligible for ABSTUDY and are receiving a pension or certain allowances from Centrelink or a full service pension from the Department of Veteran Affairs (DVA). To be eligible for PES students must be studying at least 25% of a full-time workload.

In 2003 the Pensioner Education Supplement is $62.40 per fortnight for new applicants and $124.80 per fortnight for "maintained" students continuing in their studies from 1999.

Students with a study load of less than 50% will be paid $31.20 per fortnight. Please note, customers receiving Disability Support Pension, Invalidity Service Pension or Income Support Supplement may be eligible for a workload concession.

All rates are subject to CPI adjustment.

Further information about ABSTUDY can be obtained from the Lismore Centrelink Office, corner of Conway and Keen Streets, Lismore. Telephone enquiries can be made on 13 2317.

Alcohol

The University has a policy on the consumption of alcohol. The aim of the policy is to ensure that alcohol consumption on University premises occurs within acceptable and legal limits. The policy restricts alcohol to certain venues under certain conditions. Details of this policy may be obtained from the Finance Directorate, or the Vice-Chancellor's Office.

Austudy Payment and Youth Allowance for Students

Austudy Payment is an income support payment available to qualifying students aged 25 or older. It provides income tested assistance to full-time students who are Australian citizens and some permanent residents of Australia studying in an approved tertiary course.

Youth Allowance is a similar support payment paid to eligible 16 to 24 year olds who are undertaking full-time study in approved courses, and/or are looking for work. These young people may be eligible for rent assistance and the rules regarding the activity test allow for more flexibility in the types of activities which are acceptable. Youth Allowance is means tested against parental and family income.

The eligibility provisions for Austudy Payment and Youth Allowance for full-time students are very similar. However there are some differences in terms of rates, parental means testing, and the activity test (academic requirements). All Austudy Payment recipients are deemed
independent and are therefore not means tested against their parents’ income.

There is no away from home rate for Austudy Payment as all students over 25 years of age are deemed as independent. Rent Assistance is not available to single people who are receiving Austudy Payment. Those with children can access Rent Assistance through Family Allowance.

To be eligible for Austudy Payment or Youth Allowance, students normally need to be undertaking at least three-quarters of the normal amount of full-time study in respect of the course for the study period. Where a course is subject to HECS, students are required to have a HECS loading of at least 0.375 per semester. Where a student reduces and ceases to be undertaking a HECS load of 0.375 or more, he or she ceases to be eligible for Austudy Payment or Youth Allowance. Under very special circumstances some students are approved to study less than 75% of the full-time workload.

The maximum rates of payments vary depending on the age of the student, the level of the student’s personal and/or family income and assets, and the type of assistance applied for.

In addition, tertiary students may be eligible for a loan through the Financial Supplement Scheme of between $500 and $7000, which is paid by the Commonwealth Bank. This is a voluntary option involving the trade-in of some or all of the Austudy Payment or Youth Allowance in exchange for a loan on a $1 for $2 basis. No real rate of interest is applied and the loan is paid fortnightly like normal living allowance payments. Tertiary students ineligible for Youth Allowance due to the parental means test may be able to apply for up to $2000.

Dependent tertiary students may also be eligible for reimbursement for up to two return journeys between their parents’ and their term address if they live away from home to undertake their studies.

Students can apply for a lump sum advance loan of between $250 and $500 against their Austudy Payment or Youth Allowance entitlement.

Application forms for Austudy Payment and Youth Allowance are available from any Centrelink office. Completed applications can be forwarded by mail to the following address or can be personally lodged at any Centrelink office:

Centrelink
PO Box 571
LISMORE NSW 2480

Telephone enquiries can be made on 13 2490.

Centrelink also provides a visiting service to Southern Cross University’s Lismore Campus. This service is provided during the regular teaching periods of each semester and is located within the Student Services Office in Goodman Plaza. You can lodge application forms and carry out your other business with Centrelink at the visiting service.

Austudy Pensioner Education Supplement (PES)

The Pensioner Education Supplement (PES) aims to assist pensioners with the ongoing costs associated with study and is available to full-time students and those approved to undertake at least 25% of a full study load.

PES is paid at the rate of up to $62.40 per fortnight; it is not taxable. The minimum age is usually 16, although it may be paid to a 15 year old studying in certain circumstances. PES can also be traded in for a loan under the Student Financial Supplement Scheme.

Further information about the Austudy Pensioner Education Supplement can be obtained at any Centrelink office or by phone on 13 2490.

Plagiarism
Plagiarism is defined as reproduction and presentation of the work of others without acknowledgment and includes copying (in whole or in part) the work or data of other persons, or presenting substantial extracts from books, articles, theses, computer software, lecture notes, assignments or tapes, without due acknowledgment. All students are advised against making assessable material (assignments, etc.) available to other students, as they could then be a party to plagiarism and, as such, may be penalised as if they themselves had committed an act of plagiarism.

*By-laws are published in the Calendar
www.scu.edu.au/calendar
All students are expected to be fully conversant with the various systems of referencing. Details on the preferred referencing system for the discipline you are studying will be provided by the unit assessor.

Students should be aware that poor referencing or poor presentation of cited material is NOT plagiarism. They constitute poor academic work and will be penalised as such.

**Plagiarism in Computing**

The University acknowledges that there are particular difficulties in establishing plagiarism in respect of computer-based work, particularly programming. The following guidelines are intended to provide advice on how plagiarism in this area will be established:

**Definition:** Substantial copying of work from some existing or recognisable source without acknowledgment: the use of work, partial or whole, generated by another student, past or present or an external person, constitutes plagiarism with reference to computing and computer programming.

**Detection:** Plagiarism in computing may be detected by one or more of the following:

(a) similarity to other students’ submissions;

(b) sudden improvement in a student’s output within the semester without evidence of effort;

(c) sudden change in coding style;

(d) report by other student(s) or member(s) of staff;

(e) the offending party was caught in the act of copying.

**Verification:** Plagiarism in computing may be verified by:

(a) similarity in submitted work, e.g. similar programme structure, similar identification names and labels;

(b) lack of ability of the student to explain key aspects of the programme, especially where intricate logic is involved in the success of the coding;

(c) lack of evidence with regard to intermediate output;

(d) inconsistency in coding style within the programme;

(e) witness to the act of copying.

The Rules governing Plagiarism will apply in all cases (see rule 3.17 within Rules section of this Handbook).

**Privacy**

The University must meet the privacy standards introduced under the *NSW Privacy and Personal Information Protection Act 1998* (the Privacy Act). These standards direct the way public sector agencies deal with personal information.

These principles are outlined in the brochure *Privacy and Personal Information Protection NEED TO KNOW*, produced by the University and available from the Student Centres on all campuses or via the University’s web site at www.scu.edu.au/policy/privacy

The mandate of the Coffs Harbour Students’ Association is to provide a quality university experience for all its student members – those studying on campus, externals, residential, mature age, and those students with children, or who are disabled or impoverished. How the Association accomplishes this is by providing a varied range of social, sporting, welfare and cultural events and activities, offering products and services at greatly subsidised rates, and helping students who have a problem or issue through active representation between its members and other student organisations in the University, the University administration and the regional community.

Some of the activities the Association organises are movie/pizza nights, family fun days, pub tours, mature age dinner and dance, Blue Stocking Week, the Annual Ball, free weekly morning tea, monthly live entertainment and sausage sizzles.

Most products and services the Association provides are heavily subsidised, helping to make life a little easier for students. Some of the services offered are photocopying, colour printing, photo processing, binding, laminating, and free use of a common room with Austar TV, DVD/VCR facilities, and books, papers and magazines to read. Some of the products available are tea, essential groceries, mobile and phone cards, coffee, tea, juice, bottled water, soft drinks, biscuits, lollies, milkshakes, film, CDs and computer disks, stamps, envelopes, a free morning tea twice per week and University souvenirs.
