Wherever possible you will be directed to sources of further information and assistance including relevant websites. For some websites you will require a student log-in (e.g., for MySCU see entry on page 35 for more details). Students are also encouraged to refer to the University’s rules—see Rules section of the Student Handbook.
Aboriginal and Torres Strait Islander Students, Services for

Southern Cross University has a strong commitment to Indigenous people and their culture. The University has special admission and support procedures for students of Aboriginal and Torres Strait Islander descent. Full details are available by contacting Gnibi - the College of Indigenous Australian Peoples at Lismore Campus on (02) 6620 3955 or 1800 816 676.

The College, which is located in the Bundjalung Building, H Block, has two broad goals: to improve the access and participation of Indigenous Australians in higher education; and to increase the awareness of Indigenous culture within the wider community. The College sets out to achieve these goals through innovative curricula, student support and research.

Indigenous students studying by distance education or at any SCU campus are encouraged to contact Gnibi at the above number when assistance is required.

ABSTUDY (Education Access Program)

ABSTUDY provides assistance for Australian Aboriginal and Torres Strait Islander students in a range of full-time and part-time courses, including Masters and Doctorate level.

The maximum rates vary depending upon individual circumstances. Benefits for students also include the payment of an incidentals allowance to assist with text book and equipment costs. Part-time students may also be eligible for some financial assistance.

Application forms for ABSTUDY are available from any Centrelink Office. Submit your application for ABSTUDY as soon as possible. ABSTUDY claims can be lodged at the Lismore Centrelink Office, at the corner of Conway and Keen Streets.

ABSTUDY Pensioner Education Supplement (PES)

The Pensioner Education Supplement (PES) is free of any income test. It may be paid to some students who are eligible for ABSTUDY and are receiving a pension or certain allowances from Centrelink or a full service pension from the Department of Veteran Affairs (DVA). To be eligible for PES students must be studying at least 25% of a full-time workload.

In 2009 the Pensioner Education Supplement was $62.40 per fortnight for new applicants. Students with a study load of less than 50% were paid $31.20 per fortnight. Please note, customers receiving the Disability Support Pension, Invalidity Service Pension or Income Support Supplement may be eligible for a workload concession.

All rates are subject to CPI adjustment.

Advanced Standing
Southern Cross University policy allows for the granting of advanced standing for previous post-secondary study (normally completed within the last ten years), relevant professional experience or demonstrable expertise. If you wish to apply for advanced standing towards your course, you should complete and return the Advanced Standing Application Form available from Student Centres or download from www.scu.edu.au/students/prospective/index.php/dds

It is important to apply for advanced standing as early as possible in your studies as the amount of advanced standing you are granted may affect which units you need enrol in. To prevent delays in processing your graduation you are strongly advised to have submitted all requests for Advanced Standing before commencing your final study period.

Alcohol Consumption
The University has a policy on the consumption of alcohol. The aim of the policy is to ensure that alcohol consumption on University premises occurs within acceptable and legal limits. The policy restricts alcohol to certain venues under certain conditions.
Details of this policy may be obtained from the Finance and Business Directorate, or the Vice Chancellor’s Office.

Assessment
Assessment describes the various kinds of assignments, tests and examinations used at Southern Cross University. At the beginning of each study period the relevant unit assessor will provide you with a unit information guide which outlines the objectives or goals of the unit, the number and type of each item of work to be submitted, the assessment method(s) proposed for each item, date each item is to be submitted and other general assessment expectations and penalties. You should note the assessment requirements carefully as your success in any unit will depend upon your ability to meet the requirements of the various assessment items.

School/College policies including the conditions of and penalties for late submissions, granting of extensions, possibility of re-submission, violation of assessment specifications (eg: number of words), plagiarism and class participation (where it contributes to assessment) will be outlined in the unit information guide and are available at the relevant School or College office.

Your final grade in each unit will be published on My Enrolment at the end of each study period. Release dates for grades are published in “SCU News” on the University’s web site. You will be advised of grade publication dates via your SCU webmail account. The University’s rules concerning Student Assessment and Examinations are set out in the Rules section of this Student Handbook.

Attendance requirements
Attendance at lectures and tutorials is normally a requirement for internal (on campus) students. For example, some units require an eighty percent attendance in lectures and tutorials as well as a pass in assignments in order to pass the unit. Attendance at field trips and excursions may also contribute to a unit assessment. Distance education students may need to attend an on-campus residential period as a requirement of their units. Attendance requirements are articulated in the Unit Information Guide issued at the commencement of each unit.

If personal circumstances change through the study period to prevent class attendance, you are strongly encouraged to discuss the situation with your lecturer or Student Services. Illness during the study period can effect not only your attendance at classes, but also your capacity to study. When too much class contact is lost through protracted illness, there may be no practical way of catching up in that study period. You should discuss your options with your School or College Student Liaison team or with Student Services.

Austudy Payment and Youth Allowance for Students
Austudy Payment is an income support payment available to qualifying students aged 25 or older. It provides income tested assistance to full-time students who are Australian citizens and some permanent residents of Australia studying in an approved tertiary course.

Youth Allowance is a similar support payment paid to eligible 16 to 24 year olds who are undertaking full-time study in approved courses, and/or are looking for work. These young people may be eligible for
rent assistance and the rules regarding the activity test allow for more flexibility in the types of activities which are acceptable. Youth Allowance is means tested against parental and family income.

The eligibility provisions for Austudy Payment and Youth Allowance for full-time students are very similar. However there are some differences in terms of rates, parental means testing, and the activity test (academic requirements). All Austudy Payment recipients are deemed independent and are therefore not means tested against their parents’ income.

There is no away from home rate for Austudy Payment as all students over 25 years of age are deemed to be independent. You may also be eligible for Rent Assistance if you receive Austudy. Those with children can access Rent Assistance through Family Allowance.

To be eligible for Austudy Payment or Youth Allowance, students normally need to be undertaking at least three-quarters of the normal amount of full-time study in respect of the course for the study period. Where a student is in a Commonwealth supported place in a course they are required to have a study loading of at least 0.375 per semester. Where a student reduces and ceases to be undertaking a study load of 0.375 or more, he or she ceases to be eligible for Austudy Payment or Youth Allowance. Under very special circumstances some students are approved to study less than 75% of the full-time workload.

The maximum rates of payments vary depending on the age of the student, the level of the student’s personal and/or family income and assets, and the type of assistance applied for.

Dependent tertiary students may also be eligible for reimbursement for up to two return journeys between their parents’ and their term address if they live away from home to undertake their studies.

Students can apply for a lump sum advance loan of between $250 and $500 against their Austudy Payment or Youth Allowance entitlement.

The preferred method of claiming Youth Allowance and Austudy is now online through Centrelink’s website, which is at www.centrelink.gov.au.

Telephone enquiries can be made on 13 24 90.

At the Lismore campus, free-call phones are available for students to contact Centrelink. These are located at the Student Centre in Goodman Plaza.

**Banking**

At Lismore campus a branch of Summerland Credit Union and an ATM are located in Goodman Plaza. Some shops also offer EFTPOS facilities.

At Coffs Harbour campus an ATM is located inside the canteen and some shops offer EFTPOS facilities.

**Beat the Stress Week**

Cross Institutional Study

If you are attending another University it is possible to undertake unit/s of study at Southern Cross University and have unit/s credited to your award at your home University. Conversely if you are a Southern Cross University student it may be possible for you to undertake a unit of study at another University and have that unit credited to your award at SCU.

If you are a Southern Cross University student, you must first discuss your intention with your SCU course co-ordinator. Your course co-ordinator must agree in writing to allow you to undertake cross institutional study at another institution. You will be required to obtain the unit statement for the proposed unit from the other institution and provide all necessary detail to your course co-ordinator. If you receive written approval to undertake a unit cross institutionally it is your responsibility to organise your enrolment at that University. As each University will have different requirements and deadlines, check these carefully in advance and comply with all regulations. All institutions will require a copy of the written approval from your course co-ordinator before they agree to enrol you as a cross institutional student.

If you are a student of another University wishing to apply to study cross institutional unit/s at Southern Cross University you must first discuss your intention with your home University and obtain their permission in writing. The permission must state the name and unit code of the unit in which you will be enrolled at SCU and the name of the course you are undertaking at your home university. The approval must state clearly that your home institution will count the specific unit of study toward your degree program at your home University. Applications for cross-institutional study must be made on the University's Direct Application Form and normal admission deadlines apply.

If you are a Commonwealth supported student at your home University, you will be able to study cross institutionally under Commonwealth support.

For more information about cross institutional study please contact Student Services. Phone: (02) 6620 3444 Email: enquiry@scu.edu.au

Student Associations
The Student Associations provide a range of services to distance education students (for further details see Student Associations).

Enrolling at SCU
As a student of SCU it is your responsibility to ensure that your current enrolment is recorded accurately by Southern Cross University. Some units offered by SCU have requisite conditions and you are strongly advised to check that you are eligible to enrol in the unit prior to undertaking your online enrolment. You must obtain a requisite waiver from the Head of the School that is teaching the unit if you wish to enrol in a unit without the listed requisite. This is to be submitted by selecting the “Unit Approval Request” option on My Enrolment under the ‘My Study Plans’ menu option.

If you are a new student you will receive a package that offers you a place in your chosen course. You should follow the instructions provided in your offer package to correctly accept your offer via My Enrolment. Once you have accepted your offer, you will be admitted to your chosen course of study. You will then be required to enrol in your chosen units of study (subjects) for the coming study periods. You must complete your unit enrolment for the entire year by the specified due date.

If you are a continuing student you are required to re-enrol for the following year in October of the current year. Information about re-enrolment will be published each year via your SCU webmail account.

No guarantee of enrolment can be made if you do not complete your enrolment by the due date.

At the beginning of each study period you are encouraged to check your enrolment details on My Enrolment to ensure that you have correctly enrolled. If your enrolment is not as you expect and you are unable to amend your enrolment online, you must immediately advise the University by contacting Student Services at email: enrol@scu.edu.au

What Happens After Enrolment?
After completing your unit enrolment you should continue to check your enrolment details on My Enrolment and access your webmail account. Any enrolment problems will be reported to you at this email address. Southern Cross University provides no written confirmation of your enrolment however you can print the details of your current enrolment from My Enrolment. Please note that access to a unit learning site in My SCU (also called Blackboard) is not a guarantee of official enrolment - always check your official record at My Enrolment.

If your enrolment is complete, you will see the unit appear as a learning site in My SCU the following day. This site is your learning site for the study period. If you are an on-campus student you should also check your class timetable and attend your first classes. If you are studying by Distance Education, you should receive your study materials in the week before the study period commences. Note that some units will deliver all learning materials via the My SCU unit learning site, so it is important that you access this site regularly.

Your enrolment invoice will be available via My Enrolment 90 days prior to the due date. Please check your invoice for accuracy and ensure that you pay any outstanding amounts by the due date.

Changing Your Enrolment
You may vary your original unit enrolment details via My Enrolment. Please note that deadlines exist for enrolment variations and
course/unit withdrawals. These dates are set out in the Principal Dates section of the Student Handbook and can affect both your academic record and financial liability. Note that changing your mode of study (internal or external study mode) and unit substitutions are enrolment variation requests and are subject to the same deadlines – see “Withdrawing From a Course or Unit” below.

Withdrawing From a Course or Unit
Regulations relating to a course or unit withdrawal are set out in the Enrolment Rules which are printed in the Rules section of the Student Handbook (see Rules 2.6 - 2.8). You should be familiar with these rules. You may withdraw from your unit/s or course via My Enrolment. You are not permitted to withdraw from all enrolled units without applying for a Leave of Absence (see below)

If you are a Commonwealth supported student and you withdraw from your unit/s or course after the census date for a study period, you will be liable for the student contribution amount applicable for each unit for that study period.

You should note that withdrawing from a unit or course after the designated final date for withdrawal without failure will also result in an automatic grade of FAIL.

If you are enrolled in a fee paying course and you withdraw from your unit/s or course after the start of the study period you may be liable for a partial fee. Refer to the University Refund Policy set out in the Rules Relating to Student Fee and Charges.

Leave of Absence
To be eligible to take leave you must have remained enrolled in at least one unit of study past a census date. If you are eligible you may take a break from your studies of up to one-year (12 months). Refer to Rules Relating to Awards (see Rule 2.7(a-f)). An application for leave may be submitted through My Enrolment.

Phone: (02) 6620 3943
Examinations
Final examinations are held at the end of each study period. Not all units require examinations so you should carefully check the assessment requirements of the units in which you are enrolled. It is your responsibility to complete any required examinations. A preliminary examination timetable is normally available in week eight of the study period. The final timetable is published in week ten of each study period and is available on the web at www.scu.edu.au/timetables and on My Enrolment at www.scu.edu.au/myenrolment (Select “Exam Timetable” under “My Exams”). It is your responsibility to check the details of all your examinations. Details will not be given out by telephone.

The University’s rules governing Student Assessment and Examinations are set out in the Rules section of this Handbook.

Exchange Programs
The University has reciprocal exchange programs with more than 30 overseas universities and higher education institutions in a range of countries including Austria, Canada, England, China, Norway, Sweden, France, Spain, Germany, Hong Kong, Japan, Korea, Netherlands, and the United States of America. Courses are generally taught in English and students don’t need foreign language skills to participate in most cases. Students are encouraged to consider undertaking a period of study overseas through the University's Exchange program.

Students are able to apply for competitively awarded grants to fund the cost of air fares, accommodation and other costs of undertaking a period of exchange study. Students may also apply for a loan of $5000 under the OS-HELP scheme to fund these costs, the repayment of which can be deferred in a manner similar to the repayment of the HELP liability.

Before embarking on an exchange, students need to attend an information session regarding exchange and ensure that the credit for their proposed exchange study program has been approved by their Course Coordinator. Students remain enrolled students of the University while on exchange and incur the usual tuition fee liabilities, but no tuition fees are required to be paid to the overseas university.

More information can be obtained from the University's Exchange website http://exchange.scu.edu.au or by contacting the International Office for more information on (02) 6620 3876.

Feedback and Complaints
Student Services is committed to seeking feedback and to improving our processes and policies based on this feedback. We acknowledge the right of students, staff or members of the public to complain if they are dissatisfied. We recognise the need for complaint handling processes that maintain a commitment to civility and fairness, confidentiality and privacy.

Complaints Handling Policy
It is expected that many complaints will be resolved informally (i.e., in discussion) with staff. Staff members who receive a complaint will, wherever possible, seek to resolve the complaint at that first contact.

If after ten working days, you are not satisfied that sufficient progress has been made in resolving an informal complaint; you should lodge a formal (written) complaint with the Complaints Officer.

The Complaints Officer will determine the nature of the complaint and consider any relevant procedures to attempt, if possible,
to resolve it immediately. The Complaints Officer will ensure that steps are taken within ten working days to resolve the complaint; consider mediation and conciliation; involve specialist staff where relevant; keep you informed of the progress of the complaint.

On receiving a formal (written) complaint, the Complaints Officer will contact the complainant, discuss the issue and, where possible, find an agreed resolution. We aim to make contact within three working days of receiving a formal (written) complaint and to have achieved a resolution to the issue within ten working days.

Records of each formal complaint are kept in secure storage in a confidential central register within Student Services for the period set by the relevant Records Management policy.

Plagiarism
Plagiarism is defined as reproduction and presentation of the work of others without acknowledgment and includes copying (in whole or in part) the work or data of other persons, or presenting substantial extracts from books, articles, theses, computer software, lecture notes, assignments or tapes, without due acknowledgment.

You are advised against making assessable material (assignments, etc.) available to other students, as they could then be a party to plagiarism and, as such, may be penalised as if they themselves had committed an act of plagiarism.

You are expected to be fully conversant with the various systems of referencing. Details on the preferred referencing system for the discipline you are studying will be provided by your Unit Assessor.

You should be aware that poor referencing or poor presentation of cited material is NOT plagiarism. They constitute poor academic work and will be penalised as such.

Plagiarism in Computing
The University acknowledges that there are particular difficulties in establishing plagiarism in respect of computer-based work, particularly programming. The following guidelines are intended to provide advice on how plagiarism in this area will be established:

Definition: Substantial copying of work from some existing or recognisable source without acknowledgment: the use of work, partial or whole, generated by another student, past or present or an external person, constitutes plagiarism with reference to computing and computer programming.

Detection: Plagiarism in computing may be detected by one or more of the following:
similarity to other students’ submissions;
• sudden improvement in a student’s output within the semester without evidence of effort;
• sudden change in coding style;
• report by other student(s) or member(s) of staff;
• the offending party was caught in the act of copying.

**Verification:** Plagiarism in computing may be verified by:
• similarity in submitted work, e.g. similar programme structure, similar identification names and labels;
• lack of ability of the student to explain key aspects of the programme, especially where intricate logic is involved in the success of the coding;
• lack of evidence with regard to intermediate output;
• inconsistency in coding style within the programme;
• witness to the act of copying.

The Rules governing Plagiarism will apply in all cases (see rule 3.17 within Rules section of this Handbook).

**Privacy**

The University takes your privacy seriously. How we handle your personal information is governed by privacy principles in the Privacy and Personal Information Protection Act 1998, and the Health Records and Information Privacy Act 2002.

These principles are outlined in the brochure Privacy and Personal Information Protection NEED TO KNOW, available from the Student Centres on all campuses or via the University’s web site at www.scu.edu.au/policy/privacy.

If you have a complaint or enquiry about how the University has handled your personal information, or if you need some advice or assistance to get access to your own personal information, contact the University Privacy Officer on privacy@scu.edu.au.

**Prizes and University Medals**

The University also offers a large number of Annual Prizes which may be awarded if you achieve outstanding grades or demonstrate meritorious performance. A complete listing of the prizes, criteria and amount awarded is available from the University website: www.scu.edu.au/students/prospective/index.php/17/

University Medals are awarded annually at the discretion of the Academic Board if you have completed the requirements of a Bachelor degree with first class honours and at all times have demonstrated a very high standard of academic achievement. University Medals are normally awarded if you have achieved a Grade Point Average (GPA) of Distinction (6.00) or more in graded units equivalent to 150-hours, excluding Honours year units. These units must be in the relevant undergraduate award(s) and where a minimum of sixty-six percent (66%) of the award(s) has been completed at Southern Cross University.

The following examples are to assist with interpretation:
• A student has completed forty units towards a double degree: Another student has completed thirty-two units towards a combined degree. In both cases count all units in the GPA calculation;
• A student has completed a twenty-four unit undergraduate degree at SCU. The student completed eight units in another SCU degree and two units at another university, and received advanced...
standing for eight units (two non-SCU units and six SCU units). The two units completed at the other university do not count in the calculation, however, six of the SCU units do. The GPA would be calculated on twenty-two SCU units;

• A student has completed an articulated series of awards at SCU culminating in a degree. All units counted towards that degree are to be used in the GPA calculation, even if the units were completed while the student was enrolled in the articulated awards.

Special Consideration and Special Examinations

The Student Assessment and Examination rules provide for you to be granted a special examination or special consideration in appropriate circumstances. In general terms, the rules provide that where you complete an assessment task such as an examination or assignment and believe your performance or preparation was adversely affected by medical or other circumstances, you may apply for special consideration.

If you are unable to sit for an examination due to medical or other exceptional circumstances you may apply for a special examination. Except in exceptional circumstances, a special examination will not be granted once you sit for an examination. Misreading the exam timetable is not grounds for a special examination.

You may also apply for special consideration to vary the deadline for an assessment task, other than an examination.

An application form for Special Consideration is available from the Student Centre, from your School or College and on the website at www.scu.edu.au/services/studentservices/index.php/dds/

Student Associations

There are four student associations operating at the university, as described below.

Coffs Harbour Students’ Association
The mandate of the Coffs Harbour Students’ Association is to provide a quality campus experience for all its members - those studying on campus, externals, residential, mature age, and those students with children, or who are disabled or impoverished. In addition the Student Association provides a varied range of social, sporting, welfare and cultural events and activities.

Services
Association services are heavily subsidised, helping to make life a little easier for students. These include photocopying, laminating, colour printing and binding.

Members are offered free use of full kitchen facilities, free hot beverages, free internet access at our Hot Links Café, and free use of the Retro Lounge, with TV, DVD/VCR,
newspapers, magazines and a groovy 70's décor.

Benita’s Shop
Our funky campus shop offers everything from pre-loved clothing to mega-gigabyte flash drives - jewellery, incense, perfume, CD's, stamps, batteries, soap, sculptures, fabrics, engraved boxes, a range of SCU souvenirs, SCU shirts and hoodies, juice, iced tea, flavoured milk, spring water, energy drinks, a wide assortment of lollies, mints, chips and gum, and to make up for all that sugar we also offer healthy snack alternatives. Great music plays all day to add to the pleasant, friendly atmosphere.

Aquarium Bar
The on-campus bar at Coffs Harbour is located near the cafeteria. It is open for student association and special events. The bar has a jukebox, big screen television and great prices on a variety of drinks. This venue can be booked for functions and events in addition to the established evening activities provided by the Student Association - themed nights, poker night (proceeds to Oxfam), trivia, movie, pizza and other nights. Pool tables, pinball machines and other activities are always available.

Publications
The O' Week Survival Guide is a popular publication, as is our monthly newsletter “Ripe”.

Academic Hire
On behalf of the University, the Association provides academic dress hiring for students enrolled at the Coffs Harbour and Sydney campuses.

Membership
All Coffs Harbour students are eligible to become members of the Association upon payment of a fee of $50.00 per year.

The office is located in F Block, near the bus depot and is open Monday to Friday from 8.30am to 4.30pm during teaching, exam and study weeks

Lismore and External Students Association (LEXSA)
Lismore and External Students Association is your representative body on Lismore campus for Lismore and external students. As your student association, we are the place to come to if you'd like to know, well, anything about SCU Lismore. We are students ourselves, and by far the least scary of all the new faces you'll meet as you get to know your SCU campus.
LEXSA exists to facilitate students in their objective of getting the most out of their entire university experience, not just their study. If you would like to start a discussion with the entire university, hold an awareness campaign or even throw a big party, come on into LEXSA and we'll help you achieve your aims.

2010 is shaping up to be a big year, as LEXSA continues to grow and provide valuable advocacy, welfare and representative services for all our fellow students. If you're interested in what's going on, come on in to our office in the plaza and talk to one of your student representatives about what your student association is doing, and opportunities for you to get involved!

Some of the things to keep an eye out for include the inaugural student congress early in the year and the various symposiums and debates that LEXSA will be hosting throughout the year. If you're interested in getting an EDUCATION, not just a degree,
come on in to LEXSA and we'll give you all the tools to make the most of your time at SCU.
For more information call us on (02) 6620 3044 or drop in to our office - Shop 11b Goodman Plaza for a friendly, welcoming face to face chat with one of your representatives.

CRUX is the official representative body for postgraduate students. All postgraduate students are automatically members of CRUX. The core services of CRUX include representation on university committees and school boards; information, support and referral, and affiliation with the Council of Australian Postgraduate Associations (CAPA), which lobbies governments for better conditions for postgraduate students. PRAXIS, the annual multidisciplinary postgraduate research conference, usually held in November, is an excellent learning and networking experience. Presenting at Praxis is also a pre-requisite for receiving funding to attend other conferences. CRUX produces an annual magazine early in the year, which features the work and thoughts of postgraduate students. Cruxthenewsletter is published 8 times a year. All CRUX publications are permanently available on our website. Friday nights at the Unibar from 4.30pm is postgraduate hour and an opportunity to meet informally and discuss all things postgraduate. We look forward to seeing you there.

The CRUX office is located in Goodman Plaza and normally attended Wednesday to Friday 9-5

In Lismore, taxis are normally readily available from the bus-bay at the Military Road entrance to the campus.

Travel Concessions
Queensland Transport and the NSW State Rail and Transit Authority offer student travel concessions for use on bus and train travel in their respective states. To be eligible for student concession travel, the student must:
- be a full-time student, i.e. attending 12 hours per week or greater (Qld only)
- not be engaged in business or employment (NSW only)
- not be a full-fee paying overseas student (NSW only).

Rail and State Transit concession forms are available from the Student Centres on all campuses.

Some overseas students studying under an Australian Government International, Exchange or Sponsorship program may be eligible in New South Wales. To check eligibility criteria for this category of student please contact staff at an SCU Student Centre.

Tuition Fees and Commonwealth Supported places
The University will make available to you through My Enrolment an electronic invoice each study period regardless of whether you pay tuition fees, defer your tuition fees via a FEE-HELP loan or defer your student contribution via the HECS-HELP loan scheme. Payment of fees must be made by the due date specified on the invoice (details regarding methods of payment are included with the invoice). If you are deferring your fees via FEE-HELP or HECS-HELP, the debt listed on the invoice will be the amount that is deferred.

Commonwealth supported place
A Commonwealth supported place is a higher education place where the Commonwealth government makes a contribution towards the cost of your education. These places are available for Australian citizens, New Zealand citizens living in Australia and permanent...
residents only. Most of Southern Cross University's undergraduate courses and a number of postgraduate courses are Commonwealth supported. The majority of postgraduate courses are fee paying rather than Commonwealth supported. If you are undertaking postgraduate studies you will usually pay tuition fees directly to the university. Your letter of offer will confirm whether you have been offered a Commonwealth supported place or a fee-paying place.

**Commonwealth supported students (previously called HECS students)***

All domestic students are provided with a Student Learning Entitlement (SLE) by the Commonwealth government. Domestic students include Australian citizens, Australian permanent residents and New Zealand citizens. The SLE is equivalent to 7 years of full-time study. A student with SLE is entitled to Commonwealth support. This means that the Commonwealth government will subsidise the cost of education.

Every unit of study undertaken under Commonwealth support has an associated cost. For Commonwealth supported students part of that cost is met by the Commonwealth government and the remainder is paid by the student. This remainder payment was previously called HECS but is now called the student contribution amount. New Zealand citizens and permanent residents of Australia must pay the student contribution amount for each unit of study in which they are enrolled by the due date on the relevant invoice.

Domestic students may choose to defer their student contribution amount using a HECS-HELP loan.

Either way, a student may only be commonwealth supported whilst they have SLE. After 7 years of full time study, commonwealth support will run out.

**Fee Paying Students**

A non-Commonwealth supported student is also known as a fee-paying student and includes any domestic student who is paying a tuition fee for a unit of study. Fee paying students are required to pay full tuition fees for each unit of study directly to Southern Cross University.

New Zealand citizens and permanent residents of Australia must pay the full tuition fee for each unit of study in which they are enrolled by the due date on the relevant invoice.

Australian citizens and holders of permanent humanitarian visas are eligible to pay their tuition fees with a loan from the Commonwealth government called FEE-HELP. The loan is repaid through the taxation system once a minimum income threshold for compulsory repayment is reached.

Whilst FEE-HELP loans are interest free, they are indexed to the CPI. A 20% loan fee applies to FEE-HELP loans for undergraduate studies. No additional loan fee is applied to loans for postgraduate studies.

For more information visit the Commonwealth government website [www.goingtouni.gov.au](http://www.goingtouni.gov.au)

**Refund of Fees**

It is important you read and understand the University Refund Policy as set out in the Rules Relating to Student Fees and Charges in the Rules section of the Student Handbook.
