

Tuesday 30 May 2017

10am – 2pm

Explore study options and career opportunities in accounting, convention and event management, information technology, law, marketing and entrepreneurship and tourism and hospitality management.

Year 11 and 12 students interested in pursuing careers in these dynamic industries are invited to join us at our Gold Coast campus for our annual Suit Up - Careers Day event.

Students can choose from a selection of interactive workshops in accounting, convention and event management, information technology, law, marketing and entrepreneurship and tourism and hospitality management. The program also includes a keynote speaker, Q & A session with current Southern Cross University students and complimentary lunch on the green.

Students who are interested in attending this event should speak with their careers advisor.

Space is limited and registrations are essential.

To register or for further information, please contact our student recruitment officer Bec Skimmings at bec.skimmings@scu.edu.au or on 07 5589 3015.
