Do you want a competitive advantage securing a job in the legal profession?

If you are seeking guidance on how to start planning the launch of your legal career, you should attend this free seminar.

The seminar will provide students with essential advice on the value of pursuing positions in legal clerkship programs, law placements and work experience programs. Students will find out where to locate information on career opportunities, how to prepare competitive law job applications and how SCU can help you plan your legal career.
