

## ARRIVAL TO LISMORE INFORMATION

Lismore is a regional city in the Northern Rivers of New South Wales, located 40 kilometres inland from Byron Bay. It has a population of around 46,000 people and offers a relaxed yet cosmopolitan lifestyle.

The city has a domestic airport, is less than an hour to Byron Bay and under three hour drive to Brisbane.

SCU College suggests that you organise your travel to Lismore, prior to your arrival in Australia. We strongly recommend flying into Sydney and take a domestic flight to Lismore. This is the most convenient and cost effective way to travel to Lismore.
