

OS-Help loan application process.

Firstly, please ensure that you have your bank details correct entered.

1. This is done through the Rewards tab.

2. Select update payment details.

3. Select Update.

This will change the **Payment Method** to 'Electronic Funds Transfer' and the fields will become available to enter data into.

**Please do not use spaces or dashes for the account or BSB numbers**, this will result in your payment returning to the university bank and will cause a delay in your payment.

The OS-Help Debt confirmation form will open.

Most of the personal fields will be pre populated. If there are errors in this information, please contact [enrol@scu.edu.au](mailto:enrol@scu.edu.au)

**You must have an USI to obtain the OS-Help loan.**

**Note:** From 2023 all students must have a USI to graduate and receive their award, unless an exemption applies. If you have undertaken vocational education or training previously, you may already have a USI. Check if you have a USI, or create your USI easily here: <https://portal.usi.gov.au/student>

You should only have one USI, as you keep the same USI for life. Please ensure your account details on the USI Registry system are up to date and correctly match the details (first, middle and last names, date of birth) with the detail provided here in your eCAF. If these details do not match, verification will fail and your education provider will contact you to resolve the issue, and you will need to resubmit this form. You can check your details by logging into your USI account here: <https://portal.usi.gov.au/student>
