

Bachelor of Nursing (3005105)
2025 Course Fit to Practice Requirements - Coffs Harbour and Lismore campus students ONLY

The course fit to practice (FTP) requirements for Coffs Harbour and Lismore students admitted to the Bachelor of Nursing are listed below.

It is important to note that some student placement sites have **additional** FTP requirements that you must satisfy before you are permitted to attend work integrated learning (WIL). These **additional** requirements will be visible as mandatory checks in Sonia once you have been allocated.

Registration for a Qld Health iLearn account takes a **minimum** of 2 business days to action - please ensure you allow enough time for your registration to be processed so you can also complete mandatory modules by your course FTP deadline.

Further information and instructions on how to obtain the required documentation can be found on the [WIL website](#).
