### Acknowledgement of Country

Southern Cross University acknowledges and pays respect to the ancestors, Elders and descendants of the Lands upon which we meet and study. We are mindful that within and without the buildings, these Lands always were and always will be Aboriginal Land.

### Acknowledgement of origins

We acknowledge Widjabal Country as the Country where Southern Cross University originated and grew,

and from where it continues to grow. It seeded the growth of our Gumbaynggirr Campus in Coffs Harbour, our Yugambah Campus in Coolangatta and it planted the seeds to transform the Countries we are on.

Understanding our origins will make each step into the future a more purposeful one, leading all to transform tomorrow.

# Our campuses

Southern Cross is a multi-campus university on Australia's east coast with main campuses at the Gold Coast in Queensland, in the Northern Rivers and at Coffs Harbour in New South Wales.

The regions we call home all have unique characteristics as study locations – from cosmopolitan cities, thriving industries and coastal lifestyles to living laboratories of great natural beauty and ecological diversity within easy reach of the campus.

## Legend

- Main campuses  
Gold Coast, Northern Rivers, Coffs Harbour
- Metro campuses  
Sydney, Melbourne, Perth
- The Hotel School campuses  
Sydney, Melbourne, Brisbane

80,000+ graduates

18,000+ students

# Gold Coast campus

Our Gold Coast campus is located at Coolangatta on the lands of the Yugambah Nation, just 400 metres from North Kirra Beach, and adjacent to the Gold Coast Airport. Many vantage points offer stunning views of the Pacific Ocean.

The campus is spread across three contemporary buildings that house innovative learning spaces, health science laboratories, computer labs, student lounges, the University's Digital Enterprise Lab and an on-campus Health Clinic.

# Northern Rivers campus

Our foundation campus is located at Lismore in the heart of the Northern Rivers on the lands of the Bundjalung Nation. Set on acres of lush rainforest that include a koala hospital, the Northern Rivers campus is within easy reach of both national parks and the beautiful beaches of Ballina and Byron Bay.

It is also home to state-of-the-art engineering and environmental science facilities, specialist health labs and simulated hospital wards, a Learning Centre and library complex, heated pool and gym, on-campus accommodation and a Health Clinic.

# Coffs Harbour campus

Our Coffs Harbour campus is located on the lands of the Gumbaynggirr Nation at the heart of an education and innovation hub. Coffs Harbour boasts a relaxed coastal lifestyle but this growing city also hosts international sporting events and regional festivals thanks to outstanding facilities and a major regional airport.

A multi-million-dollar Health Sciences Building on campus features a biomechanics running track and high-tech simulation teaching laboratories. The campus also has a fitness centre, on-campus accommodation, sporting fields and is close to beautiful beaches and national parks. The University's world-renowned National Marine Science Centre is located in Charlesworth Bay on the north side of the city.

# Online campus

Geography is no longer a barrier to an excellent university education. Online learning in the Southern Cross Model is a dynamic and interactive environment, where you can access multimedia course content and interact with your peers and tutors, getting feedback as you go.

As an online student you have access to all campus facilities including libraries and study spaces as well as campus activities and clubs. It's a quality Southern Cross University education with the convenience of studying where, and when, it suits you best.

# Student life

Going to university is not only about getting a first-class education and setting yourself up for that dream career. It's also about having fun, making lasting friendships and enjoying the social side of university life.

## UniLife

Our UniLife program aims to encourage both your academic success and support your wellbeing. Students can get involved in social sports clubs and societies, and University-wide events such as the University Student Awards, snow tour, learn-to-surf camps, beach and water safety programs, and other national competitions.

# The Southern Cross Model

## A better way to learn at uni

All our courses are taught in the Southern Cross Model, a unique academic calendar of six-week Terms and immersive study experiences. Say goodbye to lectures and hello to active learning experiences that prepare you for the real world. Better learning opportunities to pass with flying colours? Yes, please!

### What our students say about the Southern Cross Model

-  "Six-week terms are just the right length."
-  "I love the flexible delivery of content. It suits my lifestyle."
-  "I'm more engaged with the content."
-  "I get lots of support and the tutors really want you to succeed."
-  "I feel like I can focus more. I'm getting better grades."

**25%**  
increase in student success under the Southern Cross Model

2019-2024 unit success rates

"I've found it really allows for focused opportunity of learning rather than having to spread your focus between four or five different subjects over a long period. You can dedicate your time a lot more effectively to it."

*Bridie, Osteopathic Medicine student*

## Tuition fees and study costs

### Commonwealth Supported Places

Tuition fees for most undergraduate and some postgraduate degrees are subsidised by the Australian Government. These are called Commonwealth Supported Places (CSP). You pay a part of the tuition fees and the Government pays the rest.

You can defer the payment of your fees for a CSP degree through the HECS-HELP loan scheme. This allows you to postpone paying your fees until your income reaches a certain threshold. You then pay it back a little at a time through the tax system.

For details, visit:

[studyassist.gov.au](http://studyassist.gov.au)

For details, visit:

[scu.edu.au/fees](http://scu.edu.au/fees)

### Student Services and Amenities Fee

Also known as SSAF, the Student Services and Amenities Fee is used to provide important services and amenities to students both on and off campus. Your course is made up of units and the SSAF is calculated per unit. The maximum SSAF fee in 2024 was \$351. Eligible students have the option of deferring this fee through the SA-HELP loan scheme.

### Other study costs

Your costs could also include computer equipment and software, stationery, field trips, uniforms or other course-specific expenses such as travel for practicums, internships or industry experience.

### Books and supplies

Some courses will require you to buy textbooks. The cost of textbooks varies greatly from unit-to-unit. Second-hand textbooks are sometimes available.

# Supporting your studies

# Scholarships

One easy application for a range of scholarships

Scholarships can really make a difference. They can reduce the financial aspect of study and help you to focus on your studies and put your learning first.

There are scholarships for every stage of your journey at Southern Cross University. Applying is easy. With one application you will be considered for a wide range of scholarships.

Scholarships range in value from \$600 to \$50,000.

Scholarships are available to undergraduate and postgraduate students for:

- Academic achievement
- Financial hardship
- Indigenous Australian students
- Leadership and community involvement.

There are also scholarships to study abroad as an international exchange student.

## Education

Southern Cross graduate teachers have a lasting and profound impact on the lives of their students, from the early childhood years right through to secondary school.

All degrees engage with the most contemporary and transformative thinking in education. Initial teacher education courses include extensive and meaningful placements, ensuring that graduates are profession-ready. Dual-state accreditation for primary and secondary programs expands career opportunities in both NSW and QLD, while the early childhood teacher programs are nationally accredited by ACECQA.

Extensive and meaningful work placements prepare you as a teacher
